General Fund: Mr. Decker recommended increasing the General Fund revenue and expense budgets by $535,000. The budget modification reflected additional revenue from program fees from student FTE increase over budget projections for 2012–13 and related state aid increase. This change also reflected an increase in salary and fringe expenses from final wage settlements for FY13.

Chris Fitzgerald moved, seconded by Eileen Yeakley, to increase the General Fund revenue and expense budgets by $535,000 as presented. Upon a unanimous vote of all members present, motion carried.

President Meyer noted that we have plans to implement this program at the Superior Campus in the Fall of 2013. WITC is working closely with Kestrel Aircraft in the development of the program and are soliciting input from other area companies that may hire our graduates. This program will provide students with the skills and knowledge necessary to work in various phases of the composite industry.

Mr. Decker identified an additional update that was made to item III. on page 2 of this procedure in response to the Board Chair’s December request. CORRESPONDENCE AND INFORMATION
1. Meeting Information Sharing
   Time was reserved for Board members to report on any meetings they have attended.
   A. Wisconsin Technical College District Boards Association Update
      James Beistle, Lori Laberee, Eileen Yeakley, and Bob Meyer updated the Board on the January 16–18, 2013, District Boards Association meeting and legislative visits they attended in Madison, WI. The group visited the offices of our eleven district legislators and/or their legislative assistants. Ms. Laberee noted that a personal invitation to the WITC Board meetings was well received by the three legislative offices that she visited. She indicated that representatives from the offices of Senator Jauch and Representative Murtha, including Representative Bewley herself, indicated they would seek to attend future WITC Board meetings and would contact the College of their availability. Ms. Yeakley noted that the packets were very nice to have. She encouraged the Board members to join these legislative visits in the future.

      James Beistle also provided an update on the Board of Directors meeting he attended. Low attendance by new Board members was noted as being an area of concern at this meeting. Newspaper clippings were shared with the Board.

   2. Travel Sign Up
      A. Board Events Schedule
         Time was reserved for the Board to update administration on their plans for upcoming Board events. A copy of the Board Events Schedule was routed during the meeting for Board members to update by recording their plans to attend (or not attend) the meetings and events listed on the form; or, to contact the Executive Assistant as soon as plans are confirmed. Chair Minor requested that the Board report any changes on the Board Events Schedule to Ms. Olson.

      B. Packets for Upcoming Washington, D.C. Visits
         President Meyer provided an update on the tentative federal priorities that he and other administrators will take to the U.S. Senators and Congressmen on Thursday, February 14, 2013. The proposals will include a CNC Lab, which was provided, as well as expansions to the Welding and Machine Tool programs. The visits will be scheduled outside of the National Legislative Summit visits that are scheduled by the District Boards Association on February 12–13, 2013; however, Board members are also welcome to attend the February 14 visits. A recommended list of this year’s folder contents that will be provided to the legislators was provided for the Board. President Meyer clarified that WITC folders will not be provided for the legislative visits that are scheduled by the District Boards Association.
3. Monitoring Schedule Review and Updates

Time was reserved to review and update the Board Monitoring Schedule as needed. Ms. Olson reviewed administrations recommendations to strike the January "Board Forward Planning" and the March "Board Forward Meeting" items, and to also move the "Annual WITC Foundation Update" from April to March on the monitoring schedule. One other minor change will be made to the review cycle for the Mission, Vision, Values policy (II.B.) in 2014 and then again in 2017 to align with the Strategic Goals review cycle. There were no objections and Ms. Olson will make these changes.

4. President’s Updates:

A. Academic Days
   President Meyer provided an update on the Academic Days he attended on January 8–9, 2013, at the WITC–Rice Lake Campus. Copies of the agendas were provided. Student Success and Technology were the key topics for these two days.

B. WITC Campus Inservices
   Ms. Vink highlighted some of the topics that were presented at the local WITC inservices on January 10, 2013, to include a kickoff for the Wellness program, safety initiatives, and other updates.

C. AFT–Wisconsin Communication
   President Meyer shared a communication received from the state AFT–Wisconsin and WEAC unions. A copy of the communication was provided for the Board’s information. The issue relates to the certification process. As noted earlier, the process may change. President Meyer is following up with Tom Findlay, President of local 395, who may include other faculty concerned about the issue in a future meeting.

D. Gannett Publication of UW–System and WTCS Salaries
   President Meyer updated the Board on the Gannett Publication and database for the UW–System and WTCS salaries. He cautioned that it is difficult to ensure comparable information out of the Gannett data. However, according to the data provided the average UW faculty base salary is $82,543, the average WTCS technical college faculty base salary is $75,900, and the average WITC faculty base salary is $60,432. WITC ranked second from the bottom in faculty average salary in the WTCS. On the overages data, the average for WTCS faculty was $13,906, while the average for the UW faculty was $4,846. At the time this data was taken, enrollments were spiking in the technical college system and the UW enrollments were down. The average WITC contact hours at that time were 22, and the average UW contact hours were 12–15.

5. Legislative Updates

On behalf of the Board, Ms. Olson followed up with Regional Representative Mary Willett on her availability to attend the February Board meeting in Superior, and invited Representative Stephen Smith to the March Board meeting. As noted earlier, all of WITC’s district legislators were invited to the Board meetings during the recent legislative visits in Madison. In early September, all district legislators were invited and sent a Board meeting schedule.

6. Administration provided information on the 2013 Wisconsin Indianhead Technical College Board Appointment process. Wisconsin Statutes §38.08(1)(a)1 states that a District Board shall administer the district and shall be composed of 9 members who are residents of the district, including 2 employers, 2 employees, 3 additional members, a school district administrator (SDA), as defined under §115.001 (8), and one elected official who holds a state or local office, as defined in §5.02.

The chart below lists the current WITC District Board composition. The three Board members whose terms expire in June 2013* are the positions that are to be filled during the Spring 2013 Board Appointments for the term of July 1, 2013 – June 30, 2016.

The Board Appointment Committee consists of the County Board Chairs who represent the 11 counties in the WITC district. Mr. Daryl Standafer, St. Croix County Board Chair, has been designated as the chair of the WITC Board Appointment Committee as St. Croix County has the largest population in the WITC district. A map of the district and the WITC Plan of Representation were provided for the Board’s information.

At the time that the Board book was prepared, the Board appointment public hearing/committee date was not yet confirmed with the St. Croix County Board Chair. Ms. Olson provided the incumbents with a tentative date of Wednesday, March 27, 2013, beginning at 1:30 p.m., at the WITC–Administrative Office in Shell Lake; and there were no conflicts. The application deadline date will be confirmed once the Board Appointment hearing/committee meeting date and time is confirmed with the Board appointment committee chair. Ms. Olson will send the incumbents an application packet. President Meyer asked Board members to let him know if they are unable to complete their term on the Board as he would like to include those positions in this Board appointment process and avoid having the Board Appointment Committee members from having to travel and attend more than one hearing/meeting.

   A. **Notebook Cart – New Richmond**: A purchase was made of one notebook cart in the total amount of $1,008 from CDW–Government of Vernon Hills, IL, under the Wisconsin Counties Association contract.
