Mr. Minor asked if there was comparable UW graduate data; however, it was noted that a graduate follow-up study is not done by the UW system.

Ms. Kunselman introduced Research and Planning Technicians Karla Meier and Tina Pocernich, who do the work pulling the data together for these reports. The Board and Ms. Riely Hauser commended Jennifer Kunselman and her staff.

WITC received a number of awards from the National Council for Marketing and Public Relations (NCMPR) this past year for marketing and publications. Shawnda Schelinder, Marketing/Public Relations Associate at WITC-Ashland, was introduced. She received the gold Paragon Award for a featured article/general news writing. CORRESPONDENCE AND INFORMATION
1. Meeting Information Sharing
Time was reserved for Board members to share information from the meetings they attended. President Meyer was currently attending the Manufacturing Innovations 2011 National Conference, a Manufacturing Extension Partnership (MEP) event in Orlando, Florida, in which he was nominated a second time for a lifetime achievement award.

Jean Serum, Lori Laberee, Jim Beistle, and Bob Meyer provided updates on the April District Boards Association meeting they attended in La Crosse. Chair Beistle noted that at the Board of Directors meeting, the Board was looking at providing training in skill occupations (rolling occupation programming), and there was a discussion on what to do with the remaining monies from e-Tech.

It was suggested that administration begin working with the Wisconsin Technical College System (WTCS) Office and Paul Gabriel about the summer 2012 meetings that are scheduled to be held on Tuesday and Wednesday (July 10-11) in Superior as many people have expressed how difficult it is to get away from work earlier in the week.

2. Travel Sign Up
Time was reserved for the Board to update administration on their plans for upcoming Board events. Chair Beistle requested that the Board report any changes on the Board Events Schedule to Ms. Olson.
3. Monitoring Schedule
   Time was reserved for the Board to review the Board Monitoring Schedule for next month's agenda items.

A. Consider Approval of 2011 ACCT Faculty Member Award Nomination
   There were two faculty nominations submitted for the 2011 ACCT Leadership Awards. Administration recommended sequencing both nominations, one in 2011, and the other in 2012. Time was reserved for the Board to first consider a faculty nomination for the 2011 ACCT Leadership Awards, which is due Friday, June 24, 2011.

   2011 ACCT Faculty Member Award Nomination
   Administration recommended approval of the nomination of Mary Williams-Greene, Early Childhood Education (ECE) Instructor - WITC New Richmond, for the 2011 ACCT Faculty Member Award. Mary has taught full-time for the College for approximately 21 years. She is committed to and passionate about the field of early childhood education and takes a dynamic, creative, dedicated, nurturing, and professional approach to her work within all aspects of the program. She believes in her students and strives to help each one of them to reach their full potential. Mary has been instrumental in helping to “grow” the ECE program from a technical diploma program to an associate degree program. She has worked diligently to advocate on behalf of the program and the field of early childhood education, increasing its credibility, visibility, integrity, and presence within and outside of WITC. Mary has been actively involved in many local community and statewide ECE initiatives, some of which include statewide curriculum development, credit for prior learning, and Technical Skills Attainment (TSA). She has also been a leader in developing the innovative Early Childhood Transition to degree program with UW-River Falls, which now allows individuals with an associate degree in early childhood education to apply credits toward the requirements for a bachelor’s degree and Wisconsin’s early childhood teaching certification (birth-age 8). This partnership has benefited students collegewide, building program capacity and creating additional career pathways. Mary was nominated by Divisional Dean, Laura Wassenaar, of the WITC-Superior Campus.

   Hal Helwig moved, seconded by Dave Minor, to nominate Mary Williams-Greene for the 2011 ACCT Faculty Member Award as recommended. Upon a unanimous vote, motion carried.

B. Consider Approval of 2012 ACCT Faculty Member Award Nomination
   Since there were two faculty nominations in 2011, time is reserved for the Board to consider sequencing and approving the second faculty nomination for the 2012 ACCT Leadership Awards as recommended by administration.

   2012 ACCT Faculty Member Award Nomination
   Administration recommended approval of the nomination of Greg Brodt, Information Technology - Computer Support Specialist instructor - WITC-Rice Lake, for the 2012 ACCT Faculty Member Award. Greg has been outstanding in many ways. He has been responsible for WITC being named a Regional Cisco Academy and does the maintenance and correspondence necessary to maintain that designation, which is a significant amount of work and effort on his part. It was his idea to create an instructional LAN connecting all four campuses. This allows the Instructional Technology - Network Specialist (ITNS) instructors to better communicate and to provide enhanced IP classes
as they have access to student computers at other locations. He has taken leadership on this project and worked closely with Tim Maki and Jim Dahlberg to make it a reality. He presented at the National Cisco Academy Conference last year and was asked to present this year at the conference in San Jose, California. The Rice Lake Campus has a Pearson VUE testing center and part of its effectiveness and continued presence is due to Greg’s work to keep it there. He teaches all of the Cisco classes at the Rice Lake Campus and is an excellent instructor. He also developed, and sometimes teaches, an IP Basics course for Telecommunication. Greg was nominated by Academic Dean, Nancy Cerritos, of the WITC-New Richmond Campus.

Jean Serum moved, seconded by Morrie Veilleux, to nominate Greg Brodt for the 2012 ACCT Faculty Member Award as recommended. Upon a unanimous vote, motion carried.

C. Consider Approval of Other 2011 ACCT Leadership Award Nominations
Time was reserved for the Board to consider any other nominations for the 2011 ACCT Leadership Awards. A list of awards was provided for the Board’s information. All nominations are due Friday, June 24, 2011. There were no additional nominations.

D. Review Monitoring Schedule for the Next Fiscal Year (FY12) for July Meeting
Time was reserved for the Board to review the Monitoring Schedule for FY12 as it relates to recommendations for changes/additions. In April, Chair Beistle asked Board members to bring back any recommended changes or additions to the schedule for the Board’s consideration. Chair Beistle requested the Board to look at the 2011-2012 schedule in June, for final approval in July.

E. President’s Evaluation Subcommittee Update
Time was reserved for the President’s Evaluation subcommittee to provide an update for the Board. President Meyer sent an e-mail to the stakeholders to let them know they would be receiving an electronic survey on Wednesday, May 11. The President’s 360 degree survey was sent to internal and external stakeholders on Friday, May 13. In addition, the subcommittee plans to meet on June 13 to review the survey results prior to the President’s evaluation in June. The subcommittee will send the full Board the results of the survey feedback prior to the June meeting.

4. President’s Updates
Time was reserved for President Meyer to provide the following updates:

A. Rice Lake Building Project
Mr. Fowler provided an update on the Rice Lake building project. The roof is done, the second floor was poured, and finishing work is being done on the first floor.

B. Higher Learning Commission Update
Ellen Riely Hauser updated the Board on minimum criteria for accreditation and our Systems Portfolio. A Higher Learning Commission communication and a copy of the WITC Systems Portfolio Timeline were provided for the Board’s information. An Academic Quality Improvement Program (AQIP) slide showing the cycles of continuous improvement was reviewed. In addition, an AQIP presentation will be given to the Board in August or September.

As requested at the April Board meeting, President Meyer provided the Board with a copy of a letter that was sent to the Higher Learning Commission addressing some of the concerns that were noted at the recent annual meeting in Chicago.
C. St. Croix Valley Educational Collaborative Update

A description of the partnership and a news article from the Hudson-Star Observer were provided.

D. Non-Renewal of the Rental of the Facilities for the Washburn County Learning Center
Time was reserved for administration to provide an update on the impacts of the non-renewal of the Washburn County Learning Center lease and discussion regarding alternative options. President Meyer noted that based on the number of people being served at the Learning Center, we can no longer afford the lease. We do plan to move the offerings to some other venue. It was noted that this decision was related to budget and not related to services.

5. Legislative Updates
Time was reserved for the following legislative updates. Copies of advocacy-related letters were provided for the Board’s information. It was noted that Representative Roger Rivard is tentatively slated for the July Board meeting.

6. Preparation of President’s June Evaluation
The District Board Policy index, Board-Staff Relationship policies, Executive Limitations policies, and the President’s job description were provided in preparation for the President’s annual evaluation that will take place at the June 2011 meeting. In addition, President Meyer’s contract was included in the Board packet for the Board’s review. President Meyer plans to write a brief executive summary of the activities he has been involved in. He noted that we used to do a State of the College address; however, we’ve rolled that information into the Strategic Plan presentation in December and other standing reports to the Board throughout the year. President Meyer requested that Board members let him know if they have any other items they would like him to include in his evaluation.

7. 2009-10 Certification Audit
A copy of the Wisconsin Technical College System (WTCS) 2009-10 certification audit letter to WITC was provided for the Board’s information. The audit exception totals $30,034.29.

8. Opinion on Board’s Electronic Mail
President Meyer noted a concern from a liability point of view relative to using personal e-mails of the Board members. A representative from Steve Weld’s office noted that if we copy or forward the Board on their personal e-mail accounts there is a liability in terms of discoverability that they should take very seriously. The recommendation from legal counsel is to completely separate the Board’s WITC e-mails from their personal e-mails. There were no objections.
9. Board Appointment Update
Ms. Olson provided a Board appointment update. We received one application for the elected official position and are expecting another application for the Employee/Barron County member position, thanks to Mr. Fowler. We have yet to receive an application for the Employee/Douglas County member position; however, Mr. Minor will follow-up on an interested applicant that he is aware of for this position. A second Board Appointment public hearing is scheduled on Wednesday, June 22, at 2 p.m., at the WITC-Administrative Office in Shell Lake.

10. 2011 Distinguished Alumni Award
Chair Beistle discussed the 2011 Distinguished Alumni Award information that was provided. The District Boards Association is looking for a nomination for an extraordinary WITC graduate. The award will be given out at the November Association meeting in Pewaukee. WITC’s nomination is due by August 1. Administration will provide the Board with a nomination for their consideration at the July 11 Board meeting.
