OPEN SESSION RECONVENED

MEETING MINUTES

1. Approval of the September 17, 2012, Regular Meeting Minutes
   James Beistle moved, seconded by Aimee Curtis, to approve the September 17, 2012, regular meeting minutes as printed. Upon a unanimous vote of all members present, motion carried. Note: The signed list of contracts and resolution from the September meeting were attached to the official minutes.

BUDGET CONSIDERATIONS REQUIRING BOARD ACTION

1. 2012–2013 Tax Levy
   A. Financial Forecast Model Update
      Steve Decker, Associate Vice President, Finance and Business Services, presented an initial forecast of WITC’s financial position for 2012–13 through 2017–18. This forecast model highlighted the impact of tax levy changes for the College. The forecast was uploaded to the Board of Trustees’ electronic meeting folder prior to the meeting.

      Note: At the Board meeting in November, President Meyer will update the Board on curriculum planning for Kestrel.

   B. Approval of Resolution 13–04, District Tax Levy for 2012–2013
      In compliance with Wisconsin Statute §65.90, Board approval was requested for Resolution 13–04, District Tax Levy for 2012–2013 (see attached). Due to the timing of the release of the tax levy data from the Wisconsin Technical College System (WTCS), the resolution was uploaded to the Board of Trustees’ electronic meeting folder prior to the meeting.

      It was noted that normally the Board would receive some individual county information; however, the Wisconsin Department of Revenue had not yet released the certified equalized valuations. Administration requested that the Board consider approving the levy at the budgeted amount of $37,344,989, noting that the operational levy is frozen at the previous level. Once the equalized valuations are received, Mr. Decker will share the allocations between the counties with the Board. Administration suggested that another option for the Board could be to not adopt the levy today, but instead, hold a special meeting before October 31. Resolution 13–04 was reviewed. Mr. Decker noted that our total levy increased .398%, which is a difference of $147,977. Because the operational part of the budget is frozen, it’s a matter of knowing how the property values have fallen, which Mr. Decker will share with the Board as soon as the information is provided. In addition, we are also well below the $1.5 million cap.

      Morrie Veilleux moved, seconded by Aimee Curtis, to approve Resolution 13–04, District Tax Levy for 2012–2013, as presented. Upon a roll-call vote of all members present (8–0), motion carried.

James Beistle moved, seconded by Jean Serum, to receive the Budget Projection report as it related to the interpretation of the ENDS statement for the President’s annual evaluation as presented. Upon a unanimous vote of all members present, motion carried.

CONSENT AGENDA
Chairperson Minor asked if there were any items to be pulled off the consent agenda and acted on separately; however, there were none. James Beistle moved, seconded by Aimee Curtis, to approve the consent agenda. Upon a roll-call vote, all members present voted yes (8–0); motion carried.

This RFP was conducted by the WTCS Purchasing Consortium on behalf of all Technical Colleges within Wisconsin and allowed for districts to purchase Civil Engineering Services at proposed rates through the cooperative purchases agreement. These WITC specific agreements cover civil engineering work to develop specifications and provide project management for future parking lot bids at the Rice Lake and New Richmond Campuses.

   D. Engineering Technologist Program Development: The Board approved the submission of the Scope Proposal for a two-year associate degree Engineering Technologist program to the WTCS. The Scope Proposal provides preliminary data related to labor market projections and documentation of need for the program to the WTCS supporting the request for further investigation. An ad hoc advisory committee met on October 8, 2012, to provide input to the scope proposal and needs assessment survey with documentation of that meeting included in the Scope Proposal document.

**OTHER ITEMS REQUIRING BOARD ACTION**

1. **Announcements and/or Action from Executive Session**
   Time was reserved for the Board Chair to provide an announcement about the closed session, if appropriate. Board Chair Minor announced that the Board will take possible action on the OTS and Custodial tentative agreements under item numbers 6 and 7 of this section of the agenda.
2. **Second Reading of Revised Administrative Policy (D-559.1) – Approval and Payment of Bills for Goods and Services**

A revised Administrative Policy (D-559.1) – Approval and Payment of Bills for Goods and Services was provided for the Board’s second reading and approval. The changes to the policy included updates to match the current processes. A first reading of this policy took place at the September 2012 Board meeting.

Jean Serum moved, seconded by Eileen Yeakley, to approve revised Administrative Policy (D-559.1) Approval and Payment of Bills for Goods and Services as presented. Upon a unanimous vote of all members present, motion carried.

3. **Superior Community Area Network Bylaws and Agreement**

Copies of the Superior Community Area Network (CAN) Bylaws and Agreement of Association were provided for the Board’s review and approval. An opportunity has become available for joint ownership of a fiber optic telecommunication system for use by public entities in the Superior area. This system, to be installed as part of UW-Extension’s Building Community Capacity through Broadband project, has great capacity to provide digital communication services among participating member users, as well as improved Internet services.

Representatives of the City of Superior, Douglas County, School District of Superior, WITC, and UW-Superior have met for more than two years toward forming a Community Area Network (CAN) organization to manage and operate this system. WITC will be the fiscal agent. We have chosen to create the Superior Community Area Network, an Unincorporated Association, for this purpose. In doing so, they follow in the steps of UW-Extension’s public partners in the Eau Claire, Platteville, and Wausau areas, all of which have formed Community Area Networks.

Creation of the Superior Community Area Network will provide benefits to education, public safety, and government services, while reducing costs through shared services; and, it is estimated to be up and running by next summer. The projected savings is in excess of $80,000. Approval of WITC’s formal agreement to form the Superior Community Area Network, an Unincorporated Association, was requested.

Jean Serum moved, seconded by James Schultz, to approve WITC’s formal CAN bylaws and agreement to form the Superior Community Area Network, an Unincorporated Association, as presented. Upon a roll-call vote of all members present (8–0), motion carried. Morrie Veilleux moved, seconded by James Beistle, to approve President Meyer’s signing of the CAN agreement on behalf of the College. Upon a unanimous vote of all members present; motion carried.

4. **Procurement Annual Review**

In accordance with Wisconsin Administrative Code TCS 6.05(2)(h), the College provided an annual procurement review to the Board to determine if a more competitive procurement process should be used in subsequent years. Administration recommended approval of the current procurement process. The 2011–2012 annual procurement review of vendors that paid $25,000 or more by VISA card and/or by accounts payable check was provided. These amounts included purchases that were approved by the Board.

Administration established controls in the use of purchasing cards, and has made every effort to review purchases to ensure compliance with state procurement requirements. In addition, WITC has been proactive in attempting to minimize processing work by extensively using purchasing cards which has dramatically reduced the number of purchase orders and accounts payable checks issued by the College. Through the implementation of SciQuest, an e-procurement system that ensures that colleges follow the state contracts, we should be 100% in compliance next year.

Eileen Yeakley moved, seconded by James Beistle, to approve the procurement report as presented. Upon a unanimous vote of all members present, motion carried.

5. Resolution 13–05, Authorizing the Sale of $4,980,000 General Obligation Promissory Notes, Series 2012B
Bids for the $4,980,000 promissory notes were opened at 10:00 a.m. on Monday, October 15, 2012. Administration presented Resolution 13–05 (see attached) and the results of the bid to the Board at the meeting. Based on the bid results, the lowest bid was recommended for the Board’s approval. $1,180,000 was for the building remodeling and improvement projects at the Superior Campus and minor remodeling at other district locations, and $3,800,000 was for the 2012–13 capital budget requirements. An Official Statement was provided in the Board book for the Board’s information.

Mr. Decker announced that there were seven bidders and provided a summary of the bidders for the Board. Barry Fick, Senior Vice President of Springsted Incorporated, reviewed the bid information and presented the results of the sale. He announced that Moody’s gave WITC an Aaa rating. The lowest bid was from Raymond James & Associates, Inc., of Memphis, TN, at a true interest cost of .5993%.

James Schultz moved, seconded by James Beistle, to approve Resolution 13–05, Authorizing the Sale of $4,980,000 General Obligation Promissory Notes, Series 2012B, as presented. Upon a roll-call vote of all members present (8–0), motion carried.

Board approval was requested for the custodian union one-year collective bargaining agreement.

Morrie Veilleux moved, seconded by Aimee Curtis, to approve 2012–2013 Custodian Union Contract (Labor Association of Wisconsin, Local 722) as presented. Upon a roll-call vote of all members present (8–0), motion carried.

CORRESPONDENCE AND INFORMATION

1. Meeting Information Sharing
   Time was reserved for Board members to report on any meetings they have attended. In September it was agreed that anyone attending the ACCT Congress would report out at the November 12, 2012, Board meeting. However, Chair Minor requested instead that those report outs be part of the Board Quarter meeting in December. He asked Board members to provide Ms. Olson with recaps of their ACCT sessions ahead of the December Board Quarter meeting. Ms. Olson offered to post any of the ACCT Congress session materials from Board members on the “Board Only Resources” folder located on the Connection in advance of the Board Quarter meeting. Ms. Olson volunteered to monitor the ACCT Website for session resources (including videos) for those sessions attended for President Meyer to send out to the Board if needed.

2. Travel Sign Up
   A. Board Events Schedule
      Time was reserved for the Board to update administration on their plans for upcoming Board events. A copy of the Board Events Schedule was routed during the meeting for Board members to update by recording their plans to attend (or not attend) the meetings and events listed on the form; or, to contact the Executive Assistant as soon as plans are confirmed. Chair Minor requested that the Board report any changes on the Board Events Schedule to Ms. Olson.

3. Monitoring Schedule Review and Updates
   Time was reserved to review and update the Board Monitoring Schedule as needed. Ms. Olson noted that the 2012 Student Satisfaction Inventory report would be presented in November. No changes to the schedule were recommended.

4. President’s Updates:
   Time was reserved for the President to provide an update on the following items:
   A. Management Leadership Development Update
      Managers attended a face-to-face Management Leadership Development session on Wednesday, September 26, 2012, at WITC-Rice Lake. Pam Bergeron, an acknowledged leader in the Great College Seminar movement, facilitated the customized development session. A copy of the agenda was provided for the Board’s Information.

      Ms. Vink noted that the challenges from the September session will be presented to the Board in the future. There were 84% of all managers in attendance; and of those in attendance, a 4.1 (out of 5) average rating was given on the evaluation. There is another management leadership development session scheduled in November. President Meyer acknowledged Ms. Vink and her staff for making the training very successful.

   B. ACCT Congress WITC and WILM Presentation Updates
      Time was reserved for updates on the WITC and WILM presentations that were given at the ACCT Congress in Boston, MA, on October 11, 2012. A copy of the WILM PowerPoint presentation was provided for the Board’s information. The WITC PowerPoint had previously been provided at the September Board meeting.

      President Meyer announced that there were 19 people in attendance at the WILM session and 58 people in attendance at the WITC session. Mr. Veilleux commented that it was a very well thought out presentation and he was impressed with the discussion, and that the presentation was very good. Chair Minor thanked Ms. Olson and staff for their work on the presentations.

   C. Dan Clancy Day Proclamation
      WTCS President Dan Clancy retired on September 14, 2012. Governor Walker provided an official proclamation that was shared with the Board designating Friday, September 14, 2012, as “Dan Clancy Day”.

WITC Board Proceedings 6 October 15, 2012
D. WTCS "Making the Future" Grant Award

The WTCS received $14.9 million to from the U.S. Department of Labor to fund the "Making the Future" project. WITC's share of the funds totaled slightly more than $600,000 over three years. A copy of the WTCS press release was provided for the Board's information. President Meyer noted that we will use the dollars to train workers (adult career path development/dislocated workers) and that we are going to direct the grant toward increasing Welders and Machinists.

President Meyer also shared a thank you note from the Lakeland Family Resource Center Board for his presentation to them on Strategic Planning.

5. Legislative Updates
A. Representative Janet Bewley Update

Time was reserved for Representative Bewley to provide a legislative update for the Board. The following topics were discussed: transcripted credits being underutilized, the need for more counselors to help with parent education in the high schools, changing the "parent perception" about their children needing a four-year degree and about technical colleges, keeping Career Tech programs and equipment in the high schools, the need for career counselors to understand the value of career and technical education in preparing students for future careers, the need for high school students to be "college ready" (with 3-4 years of math), the need to create pilot programs with the K-12's and the technical college, the need for funding on the front end to support pilot projects and equipment, and training students on site at the businesses rather than at the campuses.

Mr. Veilleux requested that Ms. Olson forward Representative Bewley information from a couple of the sessions he attended at the Association of Community College Trustees (ACCT) Leadership Congress related to transcripted credits. He's hoping the Board will support information from one of the sessions to do a pilot at WITC. Representative Bewley would prefer to go through the information with someone so that she is able to get a better understanding.

Chair Minor recessed the meeting at 10:40 a.m. and reconvened the meeting at 10:54 a.m.

6. Board Forward Meeting Planning

The Board Forward meeting is scheduled to take place on Monday, December 17, 2012, following the regular Board meeting, at WITC-Rice Lake. Time was reserved for the Board to discuss agenda topics and whether or not a facilitator was needed for this meeting. Board Chair Minor requested that the Board finalize the agenda and plans for this meeting.

Chair Minor would like to debrief on the ACCT Leadership Congress sessions at the Board Forward meeting in December, rather than in November. He would also like to include a "student success" agenda item and incorporate some discussion time related to the topic/theme that was used at the ACCT Leadership Congress. He suggested that President Meyer might want to contact Mr. Fitzgerald or send him an e-mail about his thoughts on this topic for the Board Forward meeting as it relates to helping students become successful much earlier so that they are ready for college. Being "college ready" was another topic suggested for the Board Forward meeting. President Meyer will bring an outline/draft of the December Board Forward items to the November Board meeting. He asked Ms. Olson to include this on the President's Cabinet agenda for discussion.

7. Capital Equipment Purchases

Springsted has recommended that the District accept the Proposal. A copy of said Proposal submitted by such institution (the "Purchaser") is attached hereto as Exhibit C and incorporated herein by this reference.

NOW, THEREFORE, BE IT RESOLVED by the District Board of the District that:

Section 1A. Ratification of the Official Terms of Offering and Offering Materials. The District Board of the District hereby ratifies and approves the details of the Notes set forth in Exhibit A attached hereto as and for the details of the Notes. The Official Terms of Offering and any other offering materials prepared and circulated by Springsted are hereby ratified and approved in all respects. All actions taken by officers of the District and Springsted in connection with the preparation and distribution of the Official Terms of Offering and any other offering materials are hereby ratified and approved in all respects.

Section 1B. Award of the Notes. The Proposal of the Purchaser offering to purchase the Notes for the sum set forth on the Proposal, plus accrued interest to the date of delivery, is hereby accepted. The Chairperson and Secretary or other appropriate officers of the District are authorized and directed to execute an acceptance of the Proposal on behalf of the District. The good faith deposit of the Purchaser shall be retained by the District Treasurer and applied in accordance with the Official Terms of Offering, and any good
faith deposits submitted by unsuccessful bidders shall be promptly returned. The Notes bear interest at the rates set forth on the Proposal.

Section 2. Terms of the Notes. The Notes shall be designated "General Obligation Promissory Notes, Series 2012B"; shall be issued in the aggregate principal amount of $4,980,000; shall be dated November 1, 2012; shall be in the denomination of $5,000 or any integral multiple thereof; shall be numbered R-1 and upward; and shall bear interest at the rates per annum and mature on October 1 of each year, in the years and principal amounts as set forth on the Pricing Summary attached hereto as Exhibit D-1 and incorporated herein by this reference. Interest is payable semi-annually on April 1 and October 1 of each year commencing on April 1, 2013. Interest shall be computed upon the basis of a 360-day year of twelve 30-day months and will be rounded pursuant to the rules of the Municipal Securities Rulemaking Board. The schedule of principal and interest payments due on the Notes is set forth on the Debt Service Schedule attached hereto as Exhibit D-2 and incorporated herein by this reference (the "Schedule").

Section 3. Redemption Provisions. The Notes shall not be subject to optional redemption. If the Proposal specifies that any of the Notes are subject to mandatory redemption, the terms of such mandatory redemption are set forth on an attachment hereto as Exhibit MRP and incorporated herein by this reference.

Section 4. Form of the Notes. The Notes shall be issued in registered form and shall be executed and delivered in substantially the form attached hereto as Exhibit E and incorporated herein by this reference.

Section 5. Tax Provisions.

(A) Direct Annual Irrepealable Tax Levy. For the purpose of paying the principal of and interest on the Notes as the same becomes due, the full faith, credit and resources of the District are hereby irrevocably pledged, and there is hereby levied upon all of the taxable property of the District a direct annual irrepealable tax in the years 2012 through 2016 for the payments due in the years 2013 through 2017 in the amounts set forth on the Schedule.
(B) Tax Collection. So long as any part of the principal of or interest on the Notes remains unpaid, the District shall be and continue without power to repeal such levy or obstruct the collection of said tax until all such payments have been made or provided for. After the issuance of the Notes, said tax shall be, from year to year, carried onto the tax roll of the District and collected in addition to all other taxes and in the same manner and at the same time as other taxes of the District for said years are collected, except that the amount of tax carried onto the tax roll may be reduced in any year by the amount of any surplus money in the Debt Service Fund Account created below.

(C) Additional Funds. If at any time there shall be on hand insufficient funds from the aforesaid tax levy to meet principal and/or interest payments on said Notes when due, the requisite amounts shall be paid from other funds of the District then available, which sums shall be replaced upon the collection of the taxes herein levied.

(A) Creation and Deposits. There be and there hereby is established in the treasury of the District, if one has not already been created, a debt service fund, separate and distinct from every other fund, which shall be maintained in accordance with generally accepted accounting principles. Debt service or sinking funds established for obligations previously issued by the District may be considered as separate and distinct accounts within the debt service fund.

Within the debt service fund, there hereby is established a separate and distinct account designated as the "Debt Service Fund Account for $4,980,000 General Obligation Promissory Notes, Series 2012B, dated November 1, 2012" (the "Debt Service Fund Account") and such account shall be maintained until the indebtedness evidenced by the Notes is fully paid or otherwise extinguished. The District Treasurer shall deposit in the Debt Service Fund Account (i) all accrued interest received by the District at the time of delivery of Resolution 13-05 [4]
and payment for the Notes; (ii) any premium which may be received by the District above the par value of the Notes and accrued interest thereon; (iii) all money raised by the taxes herein levied and any amounts appropriated for the specific purpose of meeting principal of and interest on the Notes when due; (iv) such other sums as may be necessary at any time to pay principal of and interest on the Notes when due; (v) surplus monies in the Borrowed Money Fund as specified below; and (vi) such further deposits as may be required by Section 67.11, Wisconsin Statutes.

(B) Use and Investment. No money shall be withdrawn from the Debt Service Fund Account and appropriated for any purpose other than the payment of principal of and interest on the Notes until all such principal and interest has been paid in full and the Notes canceled; provided (i) the funds to provide for each payment of principal of and interest on the Notes prior to the scheduled receipt of taxes from the next succeeding tax collection may be invested in direct obligations of the United States of America maturing in time to make such payments when they are due or in other investments permitted by law; and (ii) any funds over and above the amount of such principal and interest payments on the Notes may be used to reduce the next succeeding tax levy, or may, at the option of the District, be invested by purchasing the Notes as permitted by and subject to Section 67.11(2)(a), Wisconsin Statutes, or in permitted municipal investments under the pertinent provisions of the Wisconsin Statutes ("Permitted Investments"), which investments shall continue to be a part of the Debt Service Fund Account. Any investment of the Debt Service Fund Account shall at all times conform with the provisions of the Internal Revenue Code of 1986, as amended (the "Code") and any applicable Treasury Regulations (the "Regulations").

(C) Remaining Monies. When all of the Notes have been paid in full and canceled, and all Permitted Investments disposed of, any money remaining in the Debt Service Fund Account shall be transferred and deposited in the general fund of the District, unless the District Board directs otherwise.

Resolution 13-05
Section 7. Proceeds of the Notes: Segregated Borrowed Money Fund. The proceeds of the Notes (the "Note Proceeds") (other than any premium and accrued interest which must be paid at the time of the delivery of the Notes into the Debt Service Fund Account created above) shall be deposited into a special fund separate and distinct from all other funds of the District and disbursed solely for the purposes for which borrowed or for the payment of the principal of and the interest on the Notes. Monies in the Borrowed Money Fund may be temporarily invested in Permitted Investments. Any monies, including any income from Permitted Investments, remaining in the Borrowed Money Fund after the purposes for which the Notes have been issued have been accomplished, and, at any time, any monies as are not needed and which obviously thereafter cannot be needed for such purposes shall be deposited in the Debt Service Fund Account.

Section 8. No Arbitrage. All investments made pursuant to this Resolution shall be Permitted Investments, but no such investment shall be made in such a manner as would cause the Notes to be "arbitrage bonds" within the meaning of Section 148 of the Code or the Regulations and an officer of the District, charged with the responsibility for issuing the Notes, shall certify as to facts, estimates, circumstances and reasonable expectations in existence on the date of delivery of the Notes to the Purchaser which will permit the conclusion that the Notes are not "arbitrage bonds," within the meaning of the Code or Regulations.

Section 9. Compliance with Federal Tax Laws. (a) The District represents and covenants that the projects financed by the Notes and the ownership, management and use of the projects will not cause the Notes to be "private activity bonds" within the meaning of Section 141 of the Code. The District further covenants that it shall comply with the provisions of the Code to the extent necessary to maintain the tax-exempt status of the interest on the Notes including, if applicable, the rebate requirements of Section 148(f) of the Code. The District further covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of
the Notes) if taking, permitting or omitting to take such action would cause any of the Notes to be an arbitrage bond or a private activity bond within the meaning of the Code or would otherwise cause interest on the Notes to be included in the gross income of the recipients thereof for federal income tax purposes. The Secretary or other officer of the District charged with the responsibility of issuing the Notes shall provide an appropriate certificate of the District certifying that the District can and covenanting that it will comply with the provisions of the Code and Regulations.

(b) The District also covenants to use its best efforts to meet the requirements and restrictions of any different or additional federal legislation which may be made applicable to the Notes provided that in meeting such requirements the District will do so only to the extent consistent with the proceedings authorizing the Notes and the laws of the State of Wisconsin and to the extent that there is a reasonable period of time in which to comply.

Section 10. Designation as Qualified Tax-Exempt Obligations. The Notes are hereby designated as "qualified tax-exempt obligations" for purposes of Section 265 of the Code, relating to the ability of financial institutions to deduct from income for federal income tax purposes, interest expense that is allocable to carrying and acquiring tax-exempt obligations.

Section 11. Execution of the Notes; Closing; Professional Services. The Notes shall be issued in printed form, executed on behalf of the District by the manual or facsimile signatures of the Chairperson and Secretary, authenticated, if required, by the Fiscal Agent (defined below), sealed with its official or corporate seal, if any, or a facsimile thereof, and delivered to the Purchaser upon payment to the District of the purchase price thereof, plus accrued interest to the date of delivery (the "Closing"). The facsimile signature of either of the officers executing the Notes may be imprinted on the Notes in lieu of the manual signature of the officer but, unless the District has contracted with a fiscal agent to authenticate the Notes, at least one of the signatures appearing in Resolution 13-05
on each Note shall be a manual signature. In the event that either of the officers whose signatures appear on the Notes shall cease to be such officers before the Closing, such signatures shall, nevertheless, be valid and sufficient for all purposes to the same extent as if they had remained in office until the Closing. The aforesaid officers are hereby authorized and directed to do all acts and execute and deliver the Notes and all such documents, certificates and acknowledgements as may be necessary and convenient to effectuate the Closing. The District hereby authorizes the officers and agents of the District to enter into, on its behalf, agreements and contracts in conjunction with the Notes, including but not limited to agreements and contracts for legal, trust, fiscal agency, disclosure and continuing disclosure, and rebate calculation services. Any such contract heretofore entered into in conjunction with the issuance of the Notes is hereby ratified and approved in all respects.

Section 12. Payment of the Notes; Fiscal Agent. The principal of and interest on the Notes shall be paid by U.S. Bank National Association, St. Paul, Minnesota, which is hereby appointed as the District's registrar and fiscal agent pursuant to the provisions of Section 67.10(2), Wisconsin Statutes (the "Fiscal Agent"). The Fiscal Agency Agreement between the District and the Fiscal Agent shall be substantially in the form attached hereto as Exhibit F and incorporated herein by this reference.

Section 13. Persons Treated as Owners; Transfer of Notes. The District shall cause books for the registration and for the transfer of the Notes to be kept by the Fiscal Agent. The person in whose name any Note shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and payment of either principal or interest on any Note shall be made only to the registered owner thereof. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Note to the extent of the sum or sums so paid.

Any Note may be transferred by the registered owner thereof by surrender of the Note at the office of the Fiscal Agent, duly endorsed for the transfer or accompanied by an assignment duly executed by the registered owner or his attorney duly authorized in writing. Upon such transfer, the
Chairperson and Secretary shall execute and deliver in the name of the transferee or transferees a new Note or Notes of a like aggregate principal amount, series and maturity and the Fiscal Agent shall record the name of each transferee in the registration book. No registration shall be made to bearer. The Fiscal Agent shall cancel any Note surrendered for transfer.

The District shall cooperate in any such transfer, and the Chairperson and Secretary are authorized to execute any new Note or Notes necessary to effect any such transfer.

Section 14. Record Date. The fifteenth day of each calendar month next preceding each interest payment date shall be the record date for the Notes (the "Record Date"). Payment of interest on the Notes on any interest payment date shall be made to the registered owners of the Notes as they appear on the registration book of the District at the close of business on the Record Date.

Section 15. Utilization of The Depository Trust Company Book-Entry-Only System. In order to make the Notes eligible for the services provided by The Depository Trust Company, New York, New York ("DTC"), the District agrees to the applicable provisions set forth in the Blanket Issuer Letter of Representations previously executed on behalf of the District and on file in the District office.

Section 16. Official Statement. The District Board hereby approves the Official Statement with respect to the Notes and deems the Official Statement as "final" as of its date for purposes of SEC Rule 15c2-12 promulgated by the Securities and Exchange Commission pursuant to the Securities and Exchange Act of 1934 (the "Rule"). All actions taken by officers of the District in connection with the preparation of such Official Statement and any addenda to it or Final Official Statement are hereby ratified and approved. In connection with the Closing, the appropriate District official shall certify the Official Statement and any addenda or Final Official Statement. The Secretary shall cause copies of the Official Statement and any addenda or Final Official Statement to be distributed to the Purchaser.

Section 17. Undertaking to Provide Continuing Disclosure. The District hereby covenants and agrees, for the benefit of the owners of the Notes, to
enter into a written undertaking (the "Undertaking") if required by the Rule to provide continuing disclosure of certain financial information and operating data and timely notices of the occurrence of certain events in accordance with the Rule. The Undertaking shall be enforceable by the owners of the Notes or by the Purchaser on behalf of such owners (provided that the rights of the owners and the Purchaser to enforce the Undertaking shall be limited to a right to obtain specific performance of the obligations thereunder and any failure by the District to comply with the provisions of the Undertaking shall not be an event of default with respect to the Notes).

To the extent required under the Rule, the Secretary, or other officer of the District charged with the responsibility for issuing the Notes, shall provide a Continuing Disclosure Certificate for inclusion in the transcript of proceedings, setting forth the details and terms of the District's Undertaking.

Section 18. Record Book. The Secretary shall provide and keep the transcript of proceedings as a separate record book (the "Record Book") and shall record a full and correct statement of every step or proceeding had or taken in the course of authorizing and issuing the Notes in the Record Book.

Section 19. Bond Insurance. If the Purchaser determines to obtain municipal bond insurance with respect to the Notes, the officers of the District are authorized to take all actions necessary to obtain such municipal bond insurance. The Chairperson and Secretary are authorized to agree to such additional provisions as the bond insurer may reasonably request and which are acceptable to the Chairperson and Secretary including provisions regarding restrictions on investment of Note proceeds, the payment procedure under the municipal bond insurance policy, the rights of the bond insurer in the event of default and payment of the Notes by the bond insurer and notices to be given to the bond insurer. In addition, any reference required by the bond insurer to
the municipal bond insurance policy shall be made in the form of Note provided herein.

Section 20. Conflicting Resolutions; Severability; Effective Date. All prior resolutions, rules or other actions of the District Board or any parts thereof in conflict with the provisions hereof shall be, and the same are, hereby rescinded insofar as the same may so conflict. In the event that any one or more provisions hereof shall for any reason be held to be illegal or invalid, such illegality or invalidity shall not affect any other provisions hereof. The foregoing shall take effect immediately upon adoption and approval in the manner provided by law.

Adopted, approved and recorded October 15, 2012.
