**Senior Fees**

WITC is excited to announce the implementation of a new waiver for students ages 62 and better. The new waiver is for community services classes (aid code 60). This waiver will provide a 50% reduction of program fees if the student's age is 62+ at the start of the term (September 1, 2011 for fall term classes with start dates September-December, 2011; and January 1, 2012 for spring term classes with start dates January-May, 2012.)

Students ages 62+, who are enrolled in vocational adult courses (aid code 42 and 47), continue to be exempt from program fees under State Statute 38.24 (1)(b). Those students are still required to pay the appropriate material fees, which continues to be \$4 for many courses.
