Nurses Professional Development Day

Join us for a dynamic agenda filled with important topics facing today’s nurses.

• Door Prizes
• Good Food
• Great Opportunities for Networking

Friday, February 3, 2017 • 8:15am–4:00pm
WITC-Ashland
2100 Beaser Avenue, Ashland, WI

This event is being co-provided by WITC, Northwest Wisconsin Area Health Education Center, and Wisconsin Nurses Association.
Learning Objectives

Sepsis Identification and Response
• Describe the latest guidelines for management of sepsis and septic shock
• Describe testing recommendations and limitations
• Describe the nurses role and interventions in the hospital setting

Dementia
• Describe brain changes associated with dementia.
• Describe how people with dementia perceive their environment.
• Describe 3 strategies you can use to interact successfully with a person with dementia.
• Describe 3 strategies you can use to troubleshoot behaviors common in people with dementia.

Blood Pressure
• Describe the importance and process of accurate blood pressure measurement
• Describe the diagnosis, treatment, and patient self-management of chronic hypertension
• Describe how patient-centered team-based care can support treatment and maintenance

Sexual Trafficking
• Understand the significance of sexual trafficking and its impact on healthcare
• Describe screening tools, patient risk factors and common clinical patient presentations
• Describe reporting for suspected victims/survivors
• Identify local patient resources

Nursing Medication Safety
• Describe error types and causes
• Describe strategies to prevent errors
• Identify medication safety resources

Bipolar Disorder and ADHD
• Describe the diagnosis and treatment of bipolar disorder
• Describe the diagnosis and treatment of ADHD
• Describe the nurse’s role in addiction recovery
• Describe the nursing considerations for dual diagnosis in mental health
