Continuing Education Courses
SUPPLY LIST

**CAMPUS:** Rice Lake

**Rosemaling I**

**Location:** Chetek High School  
**Instructor:** Patricia Vork

The Instructor will try to have student quality artist oil paints and brushes available for purchase at the first class. The cost will be between $10 and $20.

**It’s suggested that students should not buy brushes until after the first class when they have actually seen and held acceptable brushes.**

Students who already have artists’ oil paints and brushes should bring them to the first class.

**Supply List for the first day of class:**

- Newspapers (to protect table)
- Paper plates (to use for palette)
- Palette knife (to mix paint) (or popsicle stick)
- Masking tape
- Clipboard or comparable lap-sized hard surface
- Rags
- Turpenoid (brush cleaner)
- Boiled linseed oil (or walnut oil?)

Students may want to consider keeping small working amounts of Turpenoid and boiled linseed oil in small jars for easy use.
