

Applied Engineering Technology Curriculum Map

Program offered at New Richmond and Rice Lake
 Check out this program at <http://www.witc.edu/programs/progcerts.htm>

School Year 2006-2007

Applied Engineering Technology

(Two-Year)
 Associate Degree (10-623-7)

Job Titles

Quality Assurance Technician
 Quality Auditor
 Technical Engineering Assistant
 Quality Coordinator
 Precision Materials Inspection
 Quality Assurance Manager
 Quality Supervisor
 Quality Analyst
 Inspector
 Statistical Process Control (SPC) Coordinator

Glidden High School

First Semester		Second Semester	
10623120	Quality Assurance	10623122	Precision Measuring
10623131	Quality Philosophies	10623123	Statistical Process Control
10623150	Interpreting Engineering Drawings	10623161	Manufacturing Materials
10804163	Technical Math 163	10623162	Manufacturing Processes
10801195	Written Communication	10623124	Industrial Problem Solving
10809196	Introduction to Sociology	10804183	Technical Math 183
		10809195	Economics or
		10809144	Principles of Macroeconomics
		10809199	Psychology of Human Relations or
		10809198	Introduction to Psychology
Third Semester		Fourth Semester	
10623135	Manufacturing Practices	10623129	Advanced Statistical
10623126	Production Planning and Controlling	10623130	Process Control
10623127	Standards and Regulations	10623131	Product and System
10623128	Quality Systems	10623175	Quality Auditing
10623164	Inspection and Metrology	10801196	Design of Experiments
10806151	Technical Science 1	10801198	Geometric Dimensioning and Tolerancing
			Oral/Interpersonal Communication or
			Speech

Helpful High School Courses

Applied Math
 Algebra
 Machine Shop
 Print Reading
 Psychology
 English/Communications
 Technical Education Systems Operations

Courses reflected in **red** are approved for advanced standing with WITC.

Note: Course sequence may vary by campus.
