### Weyerhaeuser High School

#### First Semester
- 1060110: Air Conditioning Fundamentals
- 10601115: Basic Mechanical Fundamentals
- 10601133: Refrigeration Fundamentals
- 10106181: Keyboarding
- 10804163: Technical Math 163

#### Second Semester
- 106011121: Heating Systems
- 106011128: Electrical Controls & Systems
- 10601130: HVAC Print Reading
- 10890110: Information Resources
- 10801198: Speech
- 10809196: Introduction to Sociology

#### Third Semester
- 10601105: Sheet Metal Fabrication
- 10601131: Heating System Applications
- 10601145: Electronic Energy Management
- 10601147: Control Circuit Applications
- 10806151: Technical Science 1
- 10801195: Written Communication

#### Fourth Semester
- 10601142: Hydronic Heating
- 10601143: Refrigeration Applications
- 10601148: HVAC Electronic
- 10601149: Troubleshooting/Repair (WBL)
- 10801197: Heat Load Estimation
- 10809199: Technical Reporting
- 10801197: Psychology of Human Relations

#### Electives
- 10605112: Principles of AC/DC

### Helpful High School Courses
- General Math/Algebra
- Science
- Communications
- Health/Human Relations

Courses reflected in **red** are approved for advanced standing with WITC.

Note: Course sequence may vary by campus.
