### Business, Management and Administration: Administrative and Information Support: Medical Administrative Specialist

#### Career Pathway Plan of Study for Learners, Parents, Counselors, Teachers/Faculty

This Career Pathway Plan of Study (based on the Health Informatics Pathway of the Health Science Career Cluster) can serve as a guide, along with other career planning materials, as learners continue on a career path. Courses listed within this plan are only recommended coursework and should be individualized to meet each learner’s educational and career goals. This Plan of Study, used for learners at an educational institution, should be customized with course titles and appropriate high school graduation requirements as well as college entrance requirements.
