### Business, Management and Administration: Administrative and Information Support: Medical Administrative Specialist

#### Career Pathway Plan of Study for ▶ Learners ◀ Parents ▶ Counselors ▶ Teachers/Faculty

This Career Pathway Plan of Study (based on the Health Informatics Pathway of the Health Science Career Cluster) can serve as a guide, along with other career planning materials, as learners continue on a career path. Courses listed within this plan are only recommended coursework and should be individualized to meet each learner’s educational and career goals. *This Plan of Study, used for learners at an educational institution, should be customized with course titles and appropriate high school graduation requirements as well as college entrance requirements.
