

FARM BUSINESS & PRODUCTION MANAGEMENT INSTRUCTOR

Wisconsin Indianhead Technical College is seeking learning-focused, creative and dynamic individuals for a part-time Farm Business and Production Management Instructor at the [WITC Ashland Campus](#).

MINIMUM QUALIFICATIONS

Core Abilities

WITC seeks to employ individuals with talent, commitment, enthusiasm, strong interpersonal skills and the ability to:

- ★ Assess own learning and progress toward established personal and professional goals.
- ★ Demonstrate creativity, critical thinking, and problem-solving skills.
- ★ Communicate effectively in personal and group settings.
- ★ Contribute to a diverse, respectful, and inclusive working and learning environment.
- ★ Effect change and demonstrate flexibility and positive leadership.
- ★ Acquire and apply technology to working and learning.

Education/Training and Experience

1. Bachelor's degree in related area required or equivalency.
2. Two years (4,000 hours) occupational experience (non-teaching) in agricultural field.
3. Knowledge of educational concepts and delivery.
4. Knowledge and experience with the development and implementation of on-line learning with agricultural related courses.
5. Experience with diverse populations and ability to work harmoniously with the local agriculture community.
6. Knowledge of crop production, dairy, and farm management principles.
7. Demonstrated skill and ability in use of computer software applications.
8. Dedication to student success and a commitment to the technical college mission.
9. Teaching experience desirable.

Note: In the assessment of credentials, a higher rating may be given for education/training, skills and experience beyond the minimum qualifications.
