ECE Mission, Vision & Values

- **Mission**: To prepare students to be early childhood professionals with a global perspective.

- **Vision**: We embrace a learner-centered approach that encompasses hands-on practical experiences. We empower students to be critical thinkers, reflective practitioners, life-long learners and engaged global citizens.

- **We believe in:**
  - The uniqueness of each individual
  - Learning through play
  - Self-reflection and growth
  - Advocating for children
  - Fostering creativity and connecting with nature
  - Creating meaningful partnerships with families and communities
  - Supporting diversity and anti-bias perspectives
Apply child development theory to practice

Cultivate relationships with children, family and the community

Assess child growth and development

Use best practices in teaching and learning

Demonstrate professionalism

Integrate health, safety and nutrition practices
