RE: Presidential Search Progress Report #5

This is a brief report to let you know that we are right on schedule with our process to identify the next president of Wisconsin Indianhead Technical College. The recruitment of candidates went very well; we had an outstanding pool of candidates. They were from all regions of the country and represented an exceptional and broad range of experiences and leadership skills.

We have indicated to all of the applicants that this is a confidential process and we want to honor this commitment. The commitment to maintaining confidentiality also applies to the Screening Committee. We ask the college community for your understanding and support.

Should you have any questions or concerns please feel free to reach out to our search consultants, Dr. Narcisa Polonio, 202-276-1983 (mobile), [npolonio@acct.org](mailto:npolonio@acct.org) or Julie Golder, 202-775-4466 (office), [jgolder@acct.org](mailto:jgolder@acct.org)

We will continue to provide more information as our search enters the next phase.

Thank you and best regards.
