

New Student Orientation

New students are strongly encouraged to attend new student orientation. Student orientation programs give incoming students a chance to find out about campus activities, educational opportunities, services, student activities, rules and policies, educational procedures, housing, insurance, employment services, and occupational outlooks. At the beginning of each class, students will also be given course expectations by their instructors so that they have a clear understanding of the course requirements. The instructor will provide the following:

- Course information (title, number, credits/hours)
- Course description and objectives
- Advanced standing process
- Overview of instructional methods
- Grading procedures
- Attendance policy
- Safety requirements
- Instructor office hours

College/Financial Aid Night Events

Each year in January or February, campuses host a College/Financial Aid Night. This community service event is designed to answer questions about applying for financial aid, and give students an opportunity to meet regional college representatives, agencies, and lenders in the area. These informational sessions are open to anyone interested in attending any postsecondary institution. For upcoming event dates and locations, contact a financial aid advisor at the Ashland, New Richmond, Rice Lake, or Superior campus.

Explore the College and Careers

One of the best ways to see if WITC is a good fit is for a student to set up an appointment with an admissions advisor. They can help a student decide on a career path, explore the campus, visit program classrooms, meet instructors and current students, and much more. While not required, many students find the following experiences valuable to their career decision:

Campus Tours

Students are invited to call and set up an appointment with a campus admissions advisor for a tour of our Ashland, Rice Lake, New Richmond, or Superior campuses.

Call 800.243.9482.

Ashland - Extension 3195

New Richmond - Extension 4339

Rice Lake - Extension 5220

Superior - Extension 6243

Program Shadowing

Program shadowing is the opportunity to visit a campus and experience a program. Contact the admissions advisor at the campus of choice:

Career Exploration

Counselors at each campus help students explore career paths. The counselors will walk a student through different types of assessments. They assess a student's personality type, fields of interest, and match the results with career options. Contact the Student Services office at the campus of choice.
