Program Overview
This associate degree program prepares the student to become a Certified Occupational Therapy Assistant (COTA), or for employment in related jobs. In the traditional setting, the COTA provides services under the supervision of an occupational therapist using goal-directed activities to prevent, lessen, or overcome difficulty in attaining, maintaining, or developing occupations: daily living skills, play, leisure, and/or work skills. Services are provided in various environments including hospitals, geriatric centers, schools, homes, and communities.

Admission Requirements
Students in this program must:
- Complete application form and submit with fee (fee waiver may apply if previously submitted)
- Complete Accuplacer entrance assessment to determine placement (waiver may apply with acceptable alternative test scores and/or postsecondary degree completion)
- Have earned a high school diploma or GED certificate; current high school seniors must provide documentation upon graduation
- Review and sign Caregiver Background Check and/or Criminal History Record Check Statement of Understanding
- Complete one year of high school or one term of college-level chemistry with a 2.0 or better
- Review and sign the Functional Ability Statement of Understanding
- Complete admissions meeting with a WITC counselor (above requirements should be completed prior to meeting)

Program-Specific Requirements
Students in this program must:
- Submit Background Check fee
- Have an acceptable Wisconsin Caregiver Background Check, National Criminal Background Check, Minnesota Caregiver Background Check (if applicable), and other states, if applicable
- Pass a physical exam, have current immunizations, and demonstrate negative status for tuberculosis (Tb)
- Possess current certification of “CPR for Healthcare Providers” or equivalent
- Review and sign Allied Health Division Confidentiality Statement
- Attend a mandatory program orientation session

Program Outcomes
Employers will expect graduates of the program to be able to:
- Practice within the distinct role and responsibility of the occupational therapy assistant
- Serve a diverse population in a variety of systems that are consistent with entry-level practice
- Value lifelong learning and the need to keep current with best practice
- Apply occupational therapy principles and intervention tools to achieve expected outcomes
- Demonstrate professional behaviors, ethical standards, values, and attitudes of the occupational therapy profession
- Advocate for the profession, services, and consumers
- Employability essentials and indicators will also be addressed to develop personal awareness, career effectiveness, and professionalism. See page 5 of the college catalog for a list of employability essentials and indicators.

Career Outlook
Graduates of this program will be qualified for the following positions:
- Occupational Therapy Assistant
- Certified Occupational Therapy Assistant (COTA)
- Activities Director/Coordinator
- Case Manager
- Community Support Worker
- Life Skills Trainer
- Mental Health Technician

The Occupational Therapy Assistant program is accredited by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA), located at 4720 Montgomery Lane, Suite 200, Bethesda, MD 20814-3449, Web site www.acoteonline.org, phone 301-652-2682. Graduates of the program will be able to sit for the national certification examination for the occupational therapy assistant administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the individual will be a Certified Occupational Therapy Assistant (COTA). Most states require licensure in order to practice; however, state licenses are usually based on the results of the NBCOT Certification Examination.

A felony conviction may affect a graduate’s ability to sit for the NBCOT certification examination or attain state licensure.
