Add a Focus Smart View:

Smart Views of Grade Center data can be based on a simple selection of Students and columns of Gradable Items. Again, the criteria choices are a little different but the process is the same as the other Smart Views noted above.

Add an Investigate Smart View:

Smart Views of Grade Center data can be based on a complex query of student and column attributes.

Select Student Criteria from the drop-down menu. For example, “Grade on Midterm”

Select a Condition from the drop-down menu. The possible selections differ with each type of item.

- For Names, the condition must be set to either Begins with or Contains.
- For Dates, the condition must be set as either Before or After.
- For scores or percentages, the condition must be one of a number of options, such as Equal to, Less than, Greater than, and others.
