Meet your President

Melinda Wittmer
Criminal Justice-
Corrections
Student and
2009-10
Student Senate
President

Hello and welcome to the 2009-10 school year! I'm Melinda Wittmer, second year Criminal Justice-Corrections student and this year's Student Senate President. My early years were spent in the state of Washington, but my family moved to this area when I was eleven years old. I was home-schooled through Junior High and then attended Northwestern High School (Yes...Cow Pie High). I love the ocean, rain and pretty much any kind of music. I dislike spaghetti, chocolate and woodticks; I actually *despise* woodticks!

I'd like to extend a special invitation to you to get involved in the Student Senate, either as a program representative or alternate, or by simply stopping in to the Student Life Office (room 107) to share your ideas. One issue **that we'll continue addressing this year is the idea of an on-campus bookstore.** If you have any suggestions or concerns regarding any issue, please don't hesitate to contact me or the Student Life Coordinator, Becky Bourque, in the Student Life Office. Here's to a great year!

The Student Life Office

The Student Life Office is the place to go to obtain information about life on campus-CAB events, leadership retreats, and Student Senate happenings.

The Student Life Office is located in Room 107, just off of the Atrium by the Lunch Express.

Stop in and say hello!

Important & Fun Tips for Success at WITC !

☞ If you need help... **ASK!** The WITC staff is here for YOU. They want to help you succeed.

☞ Learn about the campus.

- Health Services
- Financial Aid
- Student Life
- Student Success Center

If you know where and what these **are... you're on track!**

☞ **Reach out and don't be afraid to extend a simple hello to someone new.**

☞ Park in the designated lot to avoid being ticketed.

☞ Voice your concerns, suggestions, and opinions to your Student Senate Representative. They work for you!

☞ Exit your comfort zone—at least once in a while. Take a class or participate in an activity that challenges your ability.

☞ Most activities are held during **ACTIVITY HOUR** (which is always on Tuesdays and Thursdays from 11:30am-12:30pm).

☞ Joining the Student Senate or CAB will guarantee personal growth and leadership opportunities.

☞ Beware of the power-walking women in the hallways.

☞ Procrastination at the end of the semester could leave you stranded without a computer.

☞ Speaking of computers, remember to **LOG OFF** before you **leave the one you're working on!**

Get involved and have a **GREAT year!**
