Campus Highlights

What is the Student Senate?

The Student Senate is made up of representatives from all WITC programs and clubs on campus. They serve as the voice of student body and learn leadership skills to apply in everyday life. They've completed the StrengthsQuest Assessment and are learning more about using their strengths to work more efficiently as a team. Stop in the Student Life Office or talk your advisor to get more information.

From the Nurse's Desk...

Nearly 7 in 10 (68.9%) adult cigarette smokers want to stop smoking.

More than 4 in 10 (42.7%) adult cigarette smokers have made a quit attempt in the past year.

Thursday, November 16 was the Great American Smoke Out; it is an annual event that encourages smokers to make a plan to quit smoking. Missed it? You can still explore life without tobacco! Stop by health service, in room 110, to get some tools to go tobacco free! “One Day, Tobacco Free, the beginning of the rest of your life.” Health Service can help!
