## ACCREDITATION

The Higher Learning Commission: Member – North Central Association has accredited the College since April 1979. In 2004 continuing accreditation status was granted for a period of ten (10) additional years through 2014. (800-621-7440) ([www.ncahigherlearningcommission.org](http://www.ncahigherlearningcommission.org))

The associate degree Information Technology - Web Analyst/Programmer program was granted permission to deliver the program online by The Higher Learning Commission: Member – North Central Association in December 2000. (800-621-7440) ([www.ncahigherlearningcommission.org](http://www.ncahigherlearningcommission.org))

The Wisconsin Board of Vocational, Technical and Adult Education empowered the District Board to grant the associate degree, vocational diploma (one- and two-year) and vocational adult diploma in July 1972.

The Wisconsin Division of Health has approved the Emergency Medical Technician program.

The Wisconsin Department of Regulation and Licensing has approved the Barber/Cosmetologist program.

The American Institute for Design and Drafting has endorsed the Mechanical Design Technician program for conforming to its requirements for draftspersons.

The four Wisconsin Indianhead Technical College Campuses are recognized as Colleges of Higher Education by the U.S. Department of Health, Education, and Welfare, Office of Education.

The District is approved by the Wisconsin Educational Approval Board for Veteran's Training.

The Department of Justice Training and Standards Bureau has accredited the Basic Police Recruit curriculum and the Corrections Science and Police Science (Protective Services) programs.

The Dietary Manager program is accredited by the Dietary Manager Association.

The WITC-Ashland Medical Assistant program is accredited by the Commission on Accreditation of Allied Health Education Programs ([www.caahep.org](http://www.caahep.org)) upon the recommendation of the Curriculum Review Board of the American Association of Medical Assistants Endowment (AAMAE). In 1999, initial accreditation was granted for a period of (8) years. The next on-site review of this program is scheduled for October 2007.

The WITC-New Richmond Medical Assistant program is accredited by the Commission on Accreditation of Allied Health Education Programs ([www.caahep.org](http://www.caahep.org)) upon the recommendation of the Curriculum Review Board of the American Association of Medical Assistants Endowment (AAMAE). In October 2004, continuing accreditation status was granted for a period of ten (10) additional years. The next on-site review of this program is scheduled for October 2014.

The WITC-Superior Medical Assistant program is accredited by the Commission on Accreditation of Allied Health Education Programs ([www.caahep.org](http://www.caahep.org)) upon the recommendation of the Curriculum Review Board of the American Association of Medical Assistants Endowment (AAMAE). In October 2004, continuing accreditation status was granted for a period of ten (10) additional years. The next on-site review of this program is scheduled for October 2014.

The Associate Degree Nursing program is accredited by the National League for Nursing Accrediting Commission ([www.nlnac.org](http://www.nlnac.org)) and is approved by the Wisconsin Board of Nursing. In October 2006, continuing accreditation status was granted for a period of eight (8) additional years. The next on-site review of this program is scheduled for October 2014.

The Occupational Therapy Assistant program is accredited by the Accreditation Council for Occupational Therapy Education ([www.aota.org](http://www.aota.org)) of the American Occupational Therapy Association (AOTA). In October 2004, continuing accreditation status was granted for a period of ten (10) additional years. The next on-site review of this program is scheduled for October 2014.

The Nursing Assistant program is approved by the Wisconsin Department of Health & Family Services ([www.dhfs.wisconsin.gov](http://www.dhfs.wisconsin.gov)), Division of Quality Assurance. In December 2006, continuing approval status was granted for a period of two (2) additional years. The next on-site review of this program is scheduled for December 2008.
