Received Other Degree/Diploma Since Graduation

Two-hundred fifty-three (253) graduates indicated that they have received a degree or diploma since their graduation from WITC. Of this number, 6 graduates (2%) have earned a master’s degree, 40 graduates (16%) have earned a bachelor’s degree, 107 (42%) have earned an associate degree and 84 (33%) have earned a technical diploma. Sixteen (6%) graduates (6%) said that they have earned a special certificate from a private business, industry or organization since they graduated from WITC five years ago.
