Demolition Day is coming. Grab a hammer and join us May 9th at 11:30 a.m.

You're invited to
WITC-Superior's Demolition Day

Demolition Day celebrates the start of significant student lab and classroom renovations at WITC. We invite you to join us as students and staff along with representatives from LHB and Max Gray Construction swing their hammers and bring down an existing wall separating WITC’s HVAC/R classroom and lab. Stay and preview the artist renderings for the newly designed spaces, experience the trades and enjoy refreshments as we celebrate the start of this exciting project.
