## PROGRAM OUTCOME ASSESSMENT SUMMARY REPORT

**Guide**

### NAME OF PROGRAM

<table>
<thead>
<tr>
<th>Program Outcome Assessed</th>
<th>List the outcomes here:</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
</tr>
</tbody>
</table>

### Assessment Process/Design

- Identify where expected outcomes are addressed in the curriculum
- Determine methods and criteria to assess the outcomes
- Describe your assessment tool(s)
- Describe the level of expected performance
- Determine whom you will assess
- Establish a schedule for assessment

### Results and Analysis

- Determine who will interpret the results
- Determine how and with whom you will share interpretations
- Describe assessment results

### Action Plan Relative to Results

- Decide how your program or discipline will follow-up on results and implement changes
- Interpret how results will inform faculty on decisions related to teaching and learning

### Results of Action Plan Implementation

### Closing the Loop
