2019-20 PROGRAM CURRICULUM CHECKLIST
RICE LAKE
SPRING START (JANUARY 2020)**

GRADUATION REQUIREMENTS: Although your academic advisor can provide guidance, you are ultimately responsible for selecting courses that meet a program's graduation requirements.

All required course **must be successfully** completed prior to starting 509-310, Medical Assistant Practicum.

Grades: A program plan GPA of 2.0 in a 4.0 grade system is required graduate. A grade point average (GPA) of 2.0 or better is needed in all required courses. Students must also successfully pass all required course competencies. For specific program course requirements, see individual course syllabi. Failure to achieve a "C" in a course, failure to achieve the exam score as specified in the individual course syllabi or failure to pass all required course competencies will delay advancement in the program until an acceptable grade is achieved. Program courses may only be repeated once. If a course needs to be repeated, please contact your advisor before registering. This includes taking a similar course at another college.

See the current Medical Assistant Student Handbook for more specifics on grade and test requirements.

Please be advised that low enrollment class sections may be cancelled. You will be contacted by Student Services with information on other class sections available in alternate formats.

Co-enrollment in 99-831-900 Writing Essentials may be recommended in addition to English Composition 1.

EARN CREDIT FOR WHAT YOU ALREADY KNOW: Visit <https://www.witc.edu/admissions/preparing-for-college/credit-for-prior-learning> for more information

All prerequisite/corequisite courses must be completed with a grade point of 2.0 or better. Revised 4/04/2019
