*Online classes appear on your schedule from 7:00 to 7:30 a.m., but you are not required to log in at that time. Actual class participation is determined by you based on your schedule or as communicated by your instructor.

√When you register for the lecture section of this class, you are automatically registered in the lab section that meets at this location.

‡This class is offered using WITC's Interactive Television (ITV) network. In an ITV class, your instructor may be physically located at another location and teaching classes in several locations at the same time. An on-site facilitator may be present if you are at a location away from the course instructor. These classes require your attendance in the classroom!

→A work-based learning class provides short-term work experience in which you receive training and gain experience in a specific field or career area. Work-based learning is supervised by an instructor, may be paid or unpaid, and may vary in hours and length. Travel to field work sites should be expected.

◊Plus one and one half hours online per week.

‡This accelerated section starts later than others.

Please be advised that low enrollment class sections may be cancelled.

You will be contacted by Student Services with information on other class sections available in alternate formats.
