CPR Health Care Provider - AHA

47-531-437

The AHA for Health Care Providers Course is designed to teach the skills of CPR for victims of all ages including ventilation with a barrier device and use of an automated external defibrillator, and relief of foreign-body airway obstruction. It is intended for participants who provide health care to patients in a hospital setting and out-of-hospital settings. This course is for anyone that is required to take a health care provider course for employment. All participants who successfully complete the course, including the written exam and skill demonstrations will receive a BLS for Health Care provider card that will certify them for two years. Book provided.

Safety

Lead Safe Renovator Training

47-449-451

Designed for repair and handy persons, remodeling, renovation and painting contractors, tradesmen and landlords who conduct or oversee activities that disturb painted surfaces in homes, apartments or child occupied facilities built before 1978. This course satisfies the training requirement to obtain Wisconsin Department of Health Services and EPA Lead-Safe Renovator Certification. This course also satisfies HUD requirements for persons conducting non-abatement LBP activity as part of a federally funded project. This course is designed to educate attendees how to conduct repair, renovation and remodeling activities in a lead-safe manner. Topics covered include: background information on lead, health effects of exposure to lead, regulations, worksite preparation, conducting interim control and non-abatement activities, work site clean-up and disposal.

Truck Driving

Technical Diploma 10 weeks | 10 credits

WITC-New Richmond and WITC-Rice Lake

Choose your start date: September 9 or December 2

Visit witic.edu or contact an Admissions Advisor to learn more at **800.243.9482**

Commercial Drone Pilot Test Prep

47-402-400

Are you interested in flying a drone for commercial purposes? Drones are used in a multitude of jobs including utilities, agriculture, film, real estate, land survey, law enforcement, construction, and photography. Prepare to pass the FAA Part 107 Code of Federal Regulations (CFR) Remote Pilot Test. This test is required for commercial operation of UAS/UAV (unmanned Aerial System/Vehicle). This one-day workshop will include classroom theory, autonomous flight, first-person view, demonstration and practice with controls. Understand aircraft operations, regulations, airspace and requirements, weather, loading and performance. Your instructor holds an FAA Part 107 Remote Pilot license, a Private Pilot License, and has been flying drones for over six years. Please bring lunch, notebook and writing utensil. Be prepared to travel to practice location.

65100 Oct 5 Sa 8a-4:30p \$149/\$121.70
Superior: 312 Thomas Buck

Power Sports Winterization

47-461-416

Is your power equipment ready for winter? Learn how to winterize and prepare for seasonal storage, focusing on gasoline, ethanol and fuel treatments along with proper storage and covering. Learn how to correctly drain the water from the engine, change the oil and filter, drain the gear case and check for water in oil, check seals in the gear case for leaks and refill the gear case with quality oil (included). Also learn to treat/stabilize fuel for seasonal storage, check the battery and clean the exterior. Spend part of the class learning in the classroom and the other part winterizing your equipment in the lab. Be prepared to bring your boat, lawn mower, trimmer or any motorized equipment, although you do not need to bring equipment to attend this class. You must bring your own oil and filter.

65266 Oct 7 – Oct 14 M 5:30p-9:30p \$31.80/\$4.50
New Richmond: 1211 David Brown

Featured Certificates 2019

Several classes are offered at **Hayward, Ladysmith and Balsam Lake** in addition to all four main campuses!

Leadership Essentials

Technical diploma

12 credits

A series of courses to assist you in developing the skills of current and future supervisors to lead today's workforce, Leadership Essentials focuses on leading people within an organization toward strategic goals, through corporate changes, or in directing processes and procedures.

Personal Skills for Supervisors	3 credits
Leadership Development	3 credits
Team Building and Problem Solving	3 credits
Supervision	3 credits

Dementia Care

Pathway certificate

12 credits

Gain relevant and emerging information related to dementia types, symptoms and progression. You will be provided with practical tools and strategies that promote effective communication, honor human dignity, and support the importance of advanced planning. You will examine ways to positively impact your community through advocacy, education and other cutting edge initiatives based on coursework and experiential learning activities.

Communication of Aging	3 credits
Alzheimer's and Dementia	3 credits
Death and Dying	3 credits
Legal and Financial Issues of Aging	3 credits

Entry-Level Machining

Technical diploma

27 credits

Students will learn the machining skills required to set up and operate manual and computer-controlled machines. Students will learn to use hand tools, precision measuring instruments, read prints and create parts through manual programming and a computer-aided manufacturing system for CNC machine tools.

Machine Shop Theory 1A, 1B, 2A & 2B	4 credits (1 credit/ea)
Applied Machine Tooling 1 – 4	16 credits (4 credit/ea)
Print Reading for Machine Trades	1 credit
CAD Basics	1 credit
Mastercam A & B	2 credits (1 credit/ea)
Applied Technical Math 1	3 credits

Nonprofit Essentials

Pathway certificate

15 credits

As a student in the Nonprofit Essentials career pathway program, you will explore the role of nonprofit organizations, develop volunteer and Board relationships, and coordinate grant and fundraising strategies. Graduates of this certificate can find work with assisted living centers, hospice and home care agencies, childcare programs, domestic abuse and homeless shelters, and many more nonprofit organizations, both locally and nationally.

10196131	Fundamentals of Nonprofit Management	3 credits
10104189	Social Media Marketing	3 credits
10196123	Grant Writing & Management	2 credits
10196127	Fundraising & Event Planning	3 credits
10196149	Dynamics of Board Relations	1 credit
10196158	Managing Volunteers	2 credits
10196159	Nonprofit Field Experience	1 credit

Contact your local campus Student Services office for more information and registration details about any certificate.

Academic support services are available.

Certified Nursing Assistant

Technical diploma

120 hours

The Nursing Assistant program provides classroom, laboratory instruction and supervised practice in area nursing homes and hospitals. The program is approved by the Wisconsin Department of Health Services, Office of Quality Assurance. Upon completion, students will be eligible to take the written and skills exams to be placed on the Wisconsin Nurse Aide Registry.

REGISTRATION POLICIES

Nondiscrimination Notice

WITC is an equal opportunity employer/educator functioning under the affirmative action plan. The Wisconsin Indianhead Technical College District does not discriminate on the basis of race, color, national origin, sex, disability or other applicable legislated categories, in its services, employment programs, and/or its educational programs and activities, including but not limited to admissions, treatment, and access. The following person has been designated to handle inquiries regarding the nondiscrimination policies: Amanda Gohde, Director, Human Resources, Equal Opportunity/Access & Affirmative Action Officer, 505 Pine Ridge Drive, Shell Lake WI 54871, 715.468.2815 ext. 2240, Amanda.Gohde@witc.edu. Program information or assistance regarding requests for reasonable accommodation under the Americans With Disabilities Act can be obtained from the College Affirmative Action Office.

Accommodations for Persons With Disabilities

Reasonable accommodations for persons with disabilities will be made to ensure access to academic programs, activities, services and employment in accordance with 504 of the Rehabilitation Act of 1973, the Americans With Disabilities Act of 1990 and the Americans with Disabilities Act (ADA) Amendments Act of 2008. If accommodations are needed, the student should contact the campus Accommodations Specialist or Amanda Gohde, Director, Human Resources, Equal Opportunity/Access & Affirmative Action Officer, at 715.468.2240, 30 days in advance of needed assistance.

Senior Fees

WITC has implemented a waiver for students ages 62 plus. This waiver is for personal enrichment courses only (the catalog number begins with 60) and provides up to a 40% discount. (Amount varies based on material fees.) Student's age must be 62 plus at the start of the term (6/1 for summer, 8/26 for fall and 12/23 for spring). Students ages 62 plus who are enrolled in professional courses (catalog number begins with 42 or 47) are still exempt from program fees under State Statute 38.24 (1)(b) and only required to pay material fees, which is approximately \$4.50 for many courses.
