* This class is an online offering. Instruction is delivered via the internet and accessed by you using a Web browser. You must have access to a computer and the Internet to participate in online courses. Online classes appear on your schedule from 7:00 to 7:30 am but you are not required to log in at that time. Actual class participation is determined by you based on your schedule or as communicated by your instructor. You may be required to purchase or have access to specific software for this course. Unless on campus, WITC does not provide access to the software. If you are registered for the course, you can purchase discounted software at <http://www.witc.edu/technology/software.htm>. WITC uses Blackboard™ as a course management system to deliver online classes. Your instructor may schedule supervised tests or exams at a WITC campus or alternate site. See the WITC online learning page at www.witc.edu/online/index.htm for further information. Books and other required materials need to be purchased prior to the start of class. For information, contact the WITC Bookstore at <http://www.witc.edu/online/bookstore.htm>.

‡In Person Attendance is required.

◊Plus 2 hours online per week.

✖This class requires a specified amount of time online in addition to regularly scheduled face to face classroom hours. Actual online class participation is determined by you based on your schedule or as communicated by your instructor.

→Even though this class is scheduled from 7:00-7:30, actual clinical times will be arranged by site.

Please be advised that low enrollment class sections may be cancelled.

You will be contacted by Student Services with information on other class sections available in alternate formats.
