→This class requires a specified amount of time online in addition to regularly scheduled face to face classroom hours. Actual online class participation is determined by you based on your schedule or as communicated by your instructor.

⊕Plus one hour online per week.

‡This class is offered using WITC's Interactive Television (ITV) network. In an ITV class, your instructor may be physically located at another location and teaching classes in several locations at the same time. An on-site facilitator may be present if you are at a location away from the course instructor. These classes require your attendance in the classroom!

•Plus one and a half hours online per week.

*This class is an online offering. Instruction is delivered via the internet and accessed by you using a Web browser. You must have access to a computer and the Internet to participate in online courses. You may be re purchase or have access to specific software for this course. Unless on campus, WITC does not provide access to the software. If you are registered for the course, you can purchase discounted software at <http://www.witc.edu/technology/software.htm>. WITC uses Blackboard™ as a course management system to deliver online classes. See the WITC online learning page at www.witc.edu/online/index.htm for further

!!This course will meet face to face for one and a half hours each week; the rest of the course will be taught online through Blackboard.

QIn Person Attendance is required.

Please be advised that low enrollment class sections may be cancelled.

You will be contacted by Student Services with information on other class sections available in alternate formats.
