\*This class is an online offering. Instruction is delivered via the internet and accessed by you using a Web browser. You must have access to a computer and the Internet to participate in online courses. Online classes appear on your schedule from 7:00 to 7:30 am but you are not required to log in at that time. Actual class participation is determined by you based on your schedule or as communicated by your instructor. You may be required to purchase or have access to specific software for this course. Unless on campus, WITC does not provide access to the software. If you are registered for the course, you can purchase discounted software at <http://www.witc.edu/technology/software.htm>. WITC uses Blackboard™ as a course management system to deliver online classes. Your instructor may schedule supervised tests or exams at a WITC campus or alternate site. See the WITC online learning page at [www.witc.edu/online/index.htm](http://www.witc.edu/online/index.htm) for further information. Books and other required materials need to be purchased prior to the start of class. For information, contact the WITC Bookstore at <http://www.witc.edu/online/bookstore.htm>.

◊A work-based learning class provides short-term work experience in which you receive training and gain experience in a specific field or career area. Work-based learning is supervised by an instructor, may be paid or unpaid, and may vary in hours and length.

→This class is offered in the "Your Choice" format in which you may choose to attend class in person, complete the class online, or a combination of the two. You can expect the following from the class. Class attendance is not required. There are lectures from the instructor that will be uploaded to Blackboard for online viewing. You will be responsible for work team collaboration throughout the course as scheduled. Assignments are submitted online through Blackboard unless otherwise required by the instructor. There are strict deadlines and assignment requirements. Your instructor will support your efforts throughout your learning experience. You determining your own level of success!

Please be advised that low enrollment class sections may be cancelled.

You will be contacted by Student Services with information on other class sections available in alternate formats.
