^This course requires a specified amount of time both virtually (in real time) and face to face in the lab. This course will be delivered virtually (in real-time) using web conferencing on specified day(s) and the remaining time will be face to face lab time. The online class participation is determined by you based on your schedule or as communicated by your instructor.

>This course will be delivered virtually using web conferencing in real-time on the days and times scheduled. Attendance is expected during designated class hours by logging into your course remotely. Students will not be on campus to attend this course.

Online classes appear on your schedule from 7:00 to 7:30 a.m., but you are not required to log in at that time. Actual class participation is determined by you based on your schedule or as communicated by your instructor.

Please be advised that low enrollment class sections may be cancelled.

You will be contacted by Student Services with information on other class sections available in alternate formats.
