vThis course will use web conferencing to deliver content. There will be real-time instruction on the days/times listed for the class. Attendance during these times is optional as course content can be completed online as well.

^This course requires a specified amount of time both virtually (in real time) and face to face in the lab. This course will be delivered virtually (in real-time) using web conferencing on specified day(s) and the remaining time will be face to face lab time. The online class participation is determined by you based on your schedule or as communicated by your instructor

\*\* In Person Attendance is required

ΩStudents will meet on campus Monday 4:30-5:30, 02/01, 02/22, 03/08, and 03/29, 2021

#Students will meet on campus Monday 4:30-5:30, 02/02, 02/23, 03/09, and 03/30, 2021

>This course requires a specified amount of time both virtually (in real time) and online. This course will be delivered virtually (in real-time) using web conferencing on specified day(s) and the remaining time will be online. The online class participation is determined by you based on your schedule or as communicated by your instructor.

#Clinical classes appear on your schedule from 7:00am to 7:30am, but actual clinical times will be determined by your clinical location.

∞Instructor will send an invite to students to meet via Teams on 4/14, 4/28, and 5/05.

•STUDENTS NEED ACCESS TO HARDWARE AND SOFTWARE TO RECORD AND UPLOAD AUDIO AND VIDEO. A LIVE AUDIENCE MAY BE REQUIRED FOR SOME PRESENTATIONS

\*This class is an online offering. Instruction is delivered via the internet and accessed by you using a Web browser. You must have access to a computer and the Internet to participate in online courses. Online classes appear on your schedule from 7:00 to 7:30 am but you are not required to log in at that time. Actual class participation is determined by you based on your schedule or as communicated by your instructor. You may be required to purchase or have access to specific software for this course. Unless on campus, WITC does not provide access to the software. If you are registered for the course, you can purchase discounted software at <http://www.witc.edu/technology/software.htm>. WITC uses Blackboard™ as a course management system to deliver online classes. Your instructor may schedule supervised tests or exams at a WITC campus or alternate site. See the WITC online learning page at [www.witc.edu/online/index.htm](http://www.witc.edu/online/index.htm) for further information. Books and other required materials need to be purchased prior to the start of class. For information, contact the WITC Bookstore at <http://www.witc.edu/online/bookstore.htm>.

Please be advised that low enrollment class sections may be cancelled.

You will be contacted by Student Services with information on other class sections available in alternate formats.
