WISCONSIN INDIANHEAD TECHNICAL COLLEGE (WITC)
RICE LAKE**

Select the curriculum checklist based on the academic year you begin enrollment in your program.

Students admitted mid-year (January) and/or any student who takes courses out of sequence are not guaranteed course availability in all terms of the program. Enrollment in additional terms may be required to complete graduation requirements.

Please be advised that low enrollment class sections may be cancelled. You will be contacted by Student Services with information on other class sections available in alternate formats.

GRADUATION REQUIREMENTS: Although your academic advisor can provide guidance, you are ultimately responsible for selecting courses that meet a program's graduation requirements. If you do not take courses in the recommended sequence above, it may delay your completion of graduation requirements. A program plan grade point average (GPA) of 2.0 in a 4.0 grade system is required to graduate.
