

MEMORANDUM OF UNDERSTANDING
WISCONSIN TECHNICAL COLLEGE SYSTEM
AND
CARDINAL STRITCH UNIVERSITY

This articulation agreement establishes a cooperative relationship between Cardinal Stritch University (Stritch) and the sixteen (16) college districts of the Wisconsin Technical College System (WTCS) that will assist all in better serving the needs of transfer students. The agreement sets forth policies and procedures by which WTCS graduates may become eligible to enroll in the identified bachelor's program offered through the Ruth S. Coleman College of Nursing and Health Sciences (CONHS) at Stritch. The transfer policies described herein will be in effect upon date of signature for WTCS graduates with completion dates of May 2006 and after. The agreement will be renewed at appropriate intervals, with content changes as deemed appropriate by the parties. Stritch will administer this agreement according to the procedures cited in Part D.

Note: Stritch reserves the right to make policy revisions, which may affect the contents of this agreement due to changes in the curriculum or quality standards at either institution.

PART B
CORE CURRICULUM/GENERAL EDUCATION TRANSFER GUIDE (BS)

Cardinal Stritch University's Core Curriculum is rooted in the liberal arts and the Franciscan intellectual tradition. It is designed to create a framework to develop knowledge, skills, and responsibilities necessary to educate students so that they can make contributions to the world guided by a concern for issues of justice and ethical behavior. The Core Curriculum has three main goals: 1. the cultivation of intellectual and practical skills (what students should be able to do), 2. the demonstration of personal and social responsibilities (what students believe), and 3. the acquisition of knowledge (what students should know).

The Core Curriculum consists of coursework aligned to the categories below. Total credits for the Core should equal at least 33 credits.

SKILLS (9 credits)

Written Communication—one course in research based composition (see note below)

Oral Communication—one course in public, interpersonal, or group speech

Mathematics—one course in college algebra with health sciences focus or statistics

RESPONSIBILITY (6 credits)

Franciscan Heritage & Values—SEM 103 Stritch Seminar (must be taken at Stritch)

Moral & Ethical Reasoning—one course in ethics

KNOWLEDGE (18 credits)

Aesthetic Values—one course in fine arts, music, or literature

Physical & Natural World—one course in physical or biological sciences (lab or non-lab)

Spiritual Understanding—one course in religious studies

Human Societies—two courses, one from each grouping below

History/Literature

Psychology/Sociology/Economics/Political Science

Core Elective [+ One]—one additional course from any Knowledge category

Cultural Awareness—met by transfer or completion of a course containing multicultural content

Due to individual variations in how WTCS general education requirements are met, transfer results will vary. The following guide collects WTCS general education courses from multiple colleges that will satisfy core requirements and is intended to be used for course planning at the associate degree level. Coursework not applied to a specific Core requirement will transfer within a block of elective credits. A grade of "C-" or better is needed for the course to fulfill the specified requirement. Courses must be a minimum of 2 semester credits to apply to the Core. (Also see Sec. D, No. 5.) **Note regarding written communication:** Students admitted under the terms of this agreement will be considered to have met the prerequisite requirement for EN 102 Research Writing, Stritch's Core written communication course. See the list below for courses that fulfill the requirement in transfer.

PART D
ARTICULATION POLICIES & PROCEDURES

1. This articulation agreement is based upon the Wisconsin Technical College System (WTCS) 2004 curriculum for the associate degree listed in Part A. A 2.33 cumulative GPA at associate degree completion is required for this articulation to be in effect. Students must meet all standard admission requirements for the College of Nursing.
2. The articulation agreement is applied toward admission to and completion of the RN to BSN program offered by Cardinal Stritch University's College of Nursing at all locations via on-ground or on-line delivery systems.
3. The number of semester credits which may be applied through the agreement per degree is:

70 cr. Nursing

A minimum of 120 credits is required for the Bachelor of Science degree with a cumulative GPA of 2.33. Some students may require more than 120 credits to complete the RN to BSN, based on individual transcript variations. Transferring students should expect to complete at least 50 additional credits to earn the BSN degree.

4. Students who have successfully completed WTCS general education courses with a grade of "C-" or better may apply them toward satisfying Stritch Core requirements as specified in Part B of the transfer guide. General education courses not applied to Stritch Core requirements transfer as electives. Nursing coursework within the A.A.S. degree will transfer as a block of 38 credits.
5. Entering students are required to complete all credits in the major, any assigned prerequisites, and all other requirements listed in Part C to receive a Stritch Bachelor of Science degree. A minimum of 30 credits must be completed at Cardinal Stritch University to meet academic residency requirements.
6. This articulation agreement will be in effect from the date of approval and may be applied to students who completed the associate degree identified in Part A on or after the date specified. Review and renewal of this agreement will be made at appropriate intervals. Officials identified in #12 will be notified for the purpose of review and renewal.
7. Upon individual assessment, the terms and intent of this agreement may be extended to include degrees identified in Part A that were completed prior to the designated completion date.
8. Stritch reserves the right to make policy changes which could affect the contents of this agreement.

9. Stritch and WTCS may seek to jointly develop material and processes to promote this agreement. Stritch reserves the rights to review promotional materials used.
10. No financial implication concerning the transfer or exchange of cash, equipment, or real estate is intended or implied by this agreement. Stritch and WTCS are separate and independent institutions and intend to remain so.
11. All official notices under this agreement shall be sent to:
