

# Save on Your Required Course Materials with Elsevier Custom Packages!

ELSEVIER

Your instructors have worked with Elsevier to create a special offer on the materials adopted for your class.

## Visit your campus bookstore

Go to the bookstore & purchase the following two ISBNs:

**WITC 1st Semester Bundle CP**

**ISBN: 978-0-323-78384-2**

**WITC 1st Semester HESI Testing Package**

**ISBN: 978-0-323-36502-4**

This package includes your required course materials at a special discounted rate: 4 print books, 2 cheaper print alternatives (binder-ready), 2 companion texts, and a **single access code** that will give you access to your 3 required Sherpath online courses, Simulation Learning System course, Clinical Skills course, and your EAQ for the NCLEX course.

*SAVE over \$710 by purchasing this bundle with the special WITC bookstore discount!  
An average savings of 38% off each item in the bundle!*

This package includes your “ticket” for the 1st semester to get into your required HESI Exams and be able to access your Remediation. It will also include your access code to enroll into your required HESI Case Studies/Practice Test online course. It is recommended to write your name on this item once purchased.

Please **register for HESI** at this time so you’re prepared for HESI Testing & Remediation by visiting <https://evolve.elsevier.com/cs/product/9781455728916?role=student>.

## Redeem your access codes and enroll into your online courses

Visit <http://evolve.elsevier.com/student> and **enter your already purchased access code** from the 1st Semester Bundle in the “Redeem an access code” box. Login or register for a new Evolve account. When the redemption process is complete, you’ll see all of your online courses from this bundle appear in “My Evolve” along with access to your free student resources. You will need to repeat this in order to redeem your Case Studies/Practice Test access code as well.

Once your courses appear under your MY EVOLVE tab, **please enter the Course IDs that your instructor will be providing you closer to the start of the semester to ensure you are enrolled into the correct course.**
