

2020-2021 Dual Credit Courses by High School

As a high school student, you can earn college credit and save money on college tuition with WITC Dual Credit courses. A 3-credit course may save you \$459 in tuition and can be transferred to WITC and other colleges (one cr = \$153). See which Dual Credit courses are currently being offered at your high school. Determine your course load and calculate your savings! **[Ex: Intro to Business (3 cr) + Marketing Principles (3 cr) = \$918 approx. savings.]**
