

As a high school student, you can earn college credit and save money on college tuition with WITC Advanced Standing courses. A 3-credit course may save you nearly \$450 in tuition when you enroll in a program at WITC or some other WI Technical Colleges (dependent on program requirements). See which Advanced Standing courses are currently being offered at your high school. Determine your course load and calculate your savings! [For example: Intro to Business (3 credits) + Marketing Principles (3 credits) = \$888 approx. savings.]
