

Virtual Caregiver Conference Series

SPONSORSHIP OVERVIEW

The five regional coalitions from throughout Northwest Wisconsin who normally plan and host in-person Caregiver Conferences have joined forces to offer a series of virtual Caregiver Conferences for the 2020-21 year! With themes and topics you've come to expect from the regional conferences, these virtual conferences will provide valuable information to family and professional caregivers in a safe and user-friendly format option. Becoming a sponsor not only allows you to be a part of this amazing event, but it also gives your organization prime electronic and print visibility to an audience of caregivers looking for information and resources. Your sponsorship supports all five virtual conferences that will take place in September, November, January, March and May.
