

Performance of the WITC Academic Fieldwork Coordinator by the OTA student

(This is a sample for your viewing. This survey will be made available)

CAMPUS: Ashland New Richmond Rice Lake
 EVALUATION REGARDING: LEVEL II FIELDWORK A

The purpose of this survey is to provide constructive information to evaluate the effectiveness of fieldwork coordination. No survey of this kind can do full justice to the coordinator, to your performance, or to the fieldwork process as a whole. Furthermore, this survey is not intended to replace direct student-faculty discussion of these topics. However, if your answers reflect responsible consideration of the questions, they can provide useful information for evaluating fieldwork coordination.

Using the opinion (Likert) scale, please evaluate the Fieldwork Coordinator's performance according to each question. Should a question be irrelevant to your fieldwork experience, please choose the "Not Applicable" answer. This survey needs to be completed three (3) days after completion of Level II Fieldwork A rotation. The completed surveys will be compiled by the Allied Health Technician. Your name will not be identified with your survey results.		Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree	Not Applicable
1	The fieldwork process was clearly described prior to my fieldwork placements.						
2	I was given the opportunity to express my needs prior to my fieldwork placements.						
3	I was given enough notice of my fieldwork placements to be able to plan accordingly.						
4	In the event that a fieldwork site unexpectedly cancelled or modified their placement, I felt that the Fieldwork Coordinator communicated effectively with me during the time of transition.						
5	I was provided with the information needed to be successful on my fieldwork placement (contact information, location of site, etc.)						
6	I was provided the necessary requirements/instructions (immunizations, drug test, computer training, etc.) that were required by my FW site along with the name and contact information of my fieldwork site.						
7	I acted promptly on my FW II site specific requirements/instructions (immunizations, drug test, computer training, etc.) so that I was able to begin my fieldwork experience on time.						
8	The Fieldwork Coordinator is highly skilled and knowledgeable in the subject area.						
9	The WITC Academic Fieldwork Coordinator provided professional, courteous, timely, and helpful responses to my questions.						
10	The WITC Academic Fieldwork Coordinator provided clear explanations of important processes and concepts.						
11	The WITC Academic Fieldwork Coordinator demonstrated respect for student's questions, concerns, and personal viewpoints.						
12	The WITC Academic Fieldwork Coordinator treated students in a fair and impartial manner.
