If you have completed previous credits that transfer into the more advanced program, your costs may be less. Please speak with WITC staff if you have questions on how costs are determined. Tuition is an estimate and does not include any miscellaneous fees for various courses, tools, books, supplies or uniforms. Program book costs are in addition to tuition and fees and vary depending on course selection and where the books are purchased or rented.

**Wage and employment data is compiled from the 2017 WITC or 2016 Wisconsin Technical College System (WTCS) Graduate Follow-Up Report; if not available, wage data is derived from the wage data compiled through Economic modeling software int’l (Emsi) based on the WITC county region and the SOC codes assigned through the WTCS. The wage data presented is a range from the 10th and 25th percentile earnings in December 2017. Educational decisions should not be entirely based on the wage data presented as wages are subject to error and sampling bias. Some people may be hired at a lower or higher starting wage than what is reported here. Annual salaries, from Emsi data, are based on a 40 hour work week over 52 weeks (2080 hours).
