FY21 (2020-21) Medical Assistant Program

The following is additional information about the WITC's Medical Assistant (MA) program.
This information supplements the program webpage and district catalog.

Degree: One Year Technical Diploma

MEDICAL ASSISTANT (MA) PROGRAM - 33 CREDITS

The Medical Assistant program is a one-year (two semester) program. Students must complete 33 credits to graduate. Students are encouraged to take some courses prior to beginning the core courses. The program combines lecture, laboratory, and externship in a clinical setting. Travel is required to clinical sites; students must provide their own transportation. Clinical locations are to be determined.

ACADEMIC ADMISSION REQUIREMENTS Students have 120 days to complete the application process

Students who are considering the program must meet one of the following items:

- Minimum High School GPA of 2.1
- ACT Score of 18
- Minimum College GPA 2.0 (min 3 cr)
- Associate or Bachelor's Degree
- Accuplacer scores

Additional measures may be considered as determined by the counselor.

You will be admitted to the program, based on the date and time the above admission criteria is met.

MA COURSEWORK

MA courses are developed so that they must be taken in order. Program progression options are included with this document. Completion of "CPR for Healthcare Providers" training is required prior to 2nd semester. Program progression options are included at the bottom of this document. **All** required courses **must be successfully** completed prior to starting 10509310 Medical Assistant Practicum.

Wisconsin Indianhead Technical College does not discriminate on the basis of race, color, religion, sex, national origin, age, disability or status in any group protected by state or local law in employment, admissions or its programs or activities. The following person has been designated to handle inquiries regarding the College's nondiscrimination policies: Amanda Gohde, Director, Human Resources, Administrative Office, 505 Pine Ridge Drive, Shell Lake WI 54871, 715-468-2815 ext. 2240, Wisconsin Relay TTY:711, amanda.gohde@witc.edu.

CLASS COMMITMENT

The average amount of time spent in the classroom for a full-time student is between 32-35 hours per week. In addition to scheduled class time, it is expected that students spend at least two to three hours studying for each hour of classroom lecture they attend. This represents a significant time commitment and most students find it necessary to reduce work hours during the program.

TRANSFER CREDIT

Official college transcripts are required for any college coursework that has been completed. Official college transcripts must be sealed and sent from the sending institution.

MA PROGRAM STANDARDS

Students **must** earn a grade of 2.0 or higher in all required courses. Students must also successfully pass all required course competencies. For specific program course requirements, see individual course syllabi. Failure to achieve a 2.0 in a course, failure to achieve the exam score as specified in the individual course syllabi or failure to pass all required course competencies will delay advancement in the program until an acceptable grade is achieved. Two program courses may only be repeated once. This policy also applies to coursework taken at other colleges. If a course needs to be repeated, please contact your advisor before registering. This includes taking a similar course at another college.

COMPUTER NEEDS

Since all Medical Assistant courses include a web-based component, students are required to have computer and internet access.

ACCREDITATION

WITC's Medical Assistant programs are accredited by the Commission on Accreditation of Allied Health Education Programs ([CAAHEP](http://www.caahep.org)), upon the recommendation of the Medical Assisting Education Review Board ([MAERB](http://www.maerb.org)) which is governed by the American Association of Medical Assistants (AAMA).

BACKGROUND CHECK AND CONVICTION RECORD

Students in the MA program will attend clinical sessions in the ambulatory setting that are regulated by state and federal government. The laws state that these clinical agencies may not hire anyone with a history of conviction of certain crimes. WITC must contract with these agencies to provide your clinical experiences while in the program. In order to do so, the agencies expect WITC to adhere to the same guidelines - in other words, they view students as temporary employees.

At the mandatory program orientation, you will be asked about your conviction history and a conviction record will be obtained from the Department of Justice and Wisconsin [Department of Health Services](http://www.doj.wisconsin.gov). Within 90 days of the start of MA Practicum, another check through the Department of Justice and Wisconsin [Department of Health Services](http://www.doj.wisconsin.gov) will be run, along with a national criminal background check, and, if applicable, the Minnesota [Department of Human Services](http://www.dhs.state.mn.us). Having a conviction history will not necessarily stop you from entering the program. We will need to discuss the charges with you and will make every attempt to confidentially resolve the concern with the clinical agencies utilized for the clinical courses. Ultimately the ambulatory clinical agencies reserve the right to determine what is an acceptable background check. The clinical agencies may deny access to their setting based on a negative background check. If this occurs, you would not be able to complete the MA program requirements. A felony and some other violations may also prevent a student from taking the national CMA (AAMA) exam. The costs of background checks are the responsibility of the student.

SCHOLARSHIPS AND FINANCIAL AID

Full time students are eligible for financial aid. Scholarships are available.

GRADUATE SALARY EXPECTATIONS

Graduates earn between \$27,591 - \$45,548 annually. The most recent graduate follow-up study indicates the average yearly salary to be \$35,171. Graduates can expect to receive shift differential pay.
