REQUIRED DOCUMENTS FOR OTA STUDENTS

The following documents must be completed and submitted to the OTA Program Director by the dates indicated. If the documents are not signed and submitted to the Program Director by due dates, the student will not be able to participate in required course competencies. This may jeopardize the student’s ability to complete required coursework.

Students will not be able to complete off campus activities or fieldwork without completion of the required documents.

Reentry students are required, as directed by the OTA program Director, to resubmit documents prior to reentry into the program.
