

Wisconsin Indianhead Technical College (W I T C) Information Technology Industry Certification Crosswalk (2019-2020)

Educational and training experiences offered through company training programs or through professional institutions may be reviewed for transfer credit (credit from prior learning). **Official certificates or original records (as noted below) must be submitted to verify the credential earned.**

The following current industry certification	=	W I T C Information Technology Course and Related Programs
A+ Essentials (CompTIA A+ 220-801) OR (CompTIA A+ 220-901) <i>WITC Staff: (Test Component: A+)</i>	This certification may allow for transfer credit for the following W I T C course	10150139 IT Essentials and Security <i>This course is in the following programs: IT–Cybersecurity Specialist, IT–Systems Administration Specialist, Automation for Industrial Systems, IT–Network Technician, and Broadband Installer</i>
CompTIA PenTest+ <i>WITC Staff: (Test Component: PENTE)</i>	This certification may allow for transfer credit for the following W I T C course	10151102 Penetration Testing <i>This course is in the following program: IT– Cybersecurity Specialist</i>
Linux+ <i>WITC Staff: (Test Component: LINUX)</i>	This certification may allow for transfer credit for the following W I T C course	10154103 Linux Operating Systems <i>This course is in the following programs: IT–Cybersecurity Specialist, IT–Systems Administration Specialist, Automation for Industrial Systems, and IT–Network Technician</i>
Security+ <i>WITC Staff: (Test Component: SECURE)</i>	This certification may allow for transfer credit for the following W I T C course	10150102 Information Security <i>This course is in the following programs: IT– Cybersecurity Specialist and Broadband Networking Services Level 3 Certificate</i>
<p>To Verify Validity of CompTIA Certifications, go to CompTIA Customer Service at 1.866.835.8020, Ext. 5 or go to pearsonvue.com/authenticate and enter student’s nine-digit registration and nine-digit validation number--information will need to be obtained from the student.</p>		

The following current industry certification	=	W I T C Information Technology Course and Related Programs
CCNA Routing and Switching <i>WITC Staff: (Test Component: CCNAR)</i>	This certification may allow for transfer credit for the following W I T C course	10150111 Cisco CCNA 1 Introduction to Networks <i>This course is in the following programs: IT – Cybersecurity Specialist, IT–Systems Administration Specialist, Networking Professional Certificate, Automation for Industrial Systems, IT–Network Technician, and Broadband Networking Services Level 3 Certificate</i> and 10150112 Cisco CCNA 3 Scaling Networks <i>This course is in the following programs: IT–Cybersecurity Specialist, Networking Professional Certificate, and Broadband Networking Services Level 3 Certificate</i> and 10150113 Cisco CCNA 2 Routing and Switching Essentials <i>This course is in the following programs: IT– Cybersecurity Specialist, IT–Systems Administration Specialist, Networking Professional Certificate, Automation for Industrial Systems, IT–Network Technician, and Broadband Networking Services Level 3 Certificate</i> and 10150114 Cisco CCNA 4 Connecting Networks <i>This course is in the following programs: IT– Cybersecurity Specialist, Networking Professional Certificate, and Broadband Networking Services Level 3 Certificate</i>
CCNA Security <i>WITC Staff: (Test Component: CCNAS)</i>	This certification may allow for transfer credit for the following W I T C course	10151101 Firewall and VPN Management <i>This course is in the following program: IT–Cybersecurity Specialist</i>
CCENT <i>WITC Staff: (Test Component: CCENT)</i>	This certification may allow for transfer credit for the following W I T C course	10150111 Cisco CCNA 1 Introduction to Networks <i>This course is in the following programs: IT– Cybersecurity Specialist, IT–Systems Administration Specialist, Networking Professional Certificate, Automation for Industrial Systems, IT–Network Technician, and Broadband Networking Services Level 3 Certificate</i> and 10150113 Cisco CCNA 2 Routing and Switching Essentials <i>This course is in the following programs: IT– Cybersecurity Specialist, IT–Systems Administration Specialist, Networking Professional Certificate, Automation for Industrial Systems, IT–Network Technician, and Broadband Networking Services Level 3 Certificate</i>
CCNA – Wireless <i>WITC Staff: (Test Component: CCNAW)</i> or CWNA <i>WITC Staff: (Test Component: CWNA)</i>	This certification may allow for transfer credit for the following W I T C course	10150109 Wireless Networking and Security <i>This course is in the following programs: IT– Cybersecurity Specialist, Networking Professional Certificate, and Broadband Networking Services Level 3 Certificate</i>
To Verify Validity of Cisco Certifications , go to Cisco Systems Certification and Communities Online Support at 1.800.553.6387 or go to cisco.com/go/certification . Will need to provide student’s name and Cisco I.D. OR: netacad.com/		

The following current industry certification	=	W I T C Information Technology Course and Related Programs
Certified Ethical Hacker (CEH) <i>WITC Staff: (Test Component: CEH)</i>	This certification may allow for transfer credit for the following W I T C course	10154144 Ethical Hacking <i>This course is in the following program: IT–Systems Administration Specialist</i> To Verify Validity of Certification , go to eccouncil.org/Certification
VMware Certified Professional – Data Center Virtualization (VCP5-DCV) <i>WITC Staff: (Test Component: VCP5)</i> OR VMware Certified Professional 6 – Data Center Virtualization (VCP6-DCV) <i>WITC Staff: (Test Component: VCP6)</i>	This certification may allow for transfer credit for the following W I T C course	10154141 VMware Certified Professional <i>This course is in the following program: IT–Systems Administration Specialist</i> To Verify Validity of Certification , go to mylearn.vmware.com/portals/certification/
Amazon Web Services (AWS) Certified Solutions Architect – Associate <i>WITC Staff: (Test Component: AWS)</i>	This certification may allow for transfer credit for the following W I T C course	10154146 Cloud Computing <i>This course is in the following program: IT–Systems Administration Specialist</i> To Verify Validity of Certification , go to aws.amazon.com/certification/certified-solutions-architect-associate/
Microsoft - Windows Server 2008 Network Infrastructure, Configuring (70-642) <i>WITC Staff: (Test Component: 70642)</i>	This certification may allow for transfer credit for the following W I T C course	10150117 Server Administration 1 <i>This course is in the following programs: IT–Cybersecurity Specialist, IT–Systems Administration Specialist, Automation for Industrial Systems, and IT–Network Technician</i>
Microsoft - Windows Server 2008 Active Directory, Configuring (70-640) <i>WITC Staff: (Test Component: 70640)</i>	This certification may allow for transfer credit for the following W I T C course	10150118 Server Administration 2 <i>This course is in the following program: IT–Systems Administration Specialist</i>
Microsoft - Installing and Configuring Windows Server 2012 (70-410) <i>WITC Staff: (Test Component: 70410)</i>	This certification may allow for transfer credit for the following W I T C course	10150117 Server Administration 1 <i>This course is in the following programs: IT– Cybersecurity Specialist, IT–Systems Administration Specialist, Automation for Industrial Systems, and IT–Network Technician</i> and 10150118 Server Administration 2 <i>This course is in the following program: IT–Systems Administration Specialist</i>
Microsoft - Querying Microsoft SQL Server 2012/2014 (70-461) <i>WITC Staff: (Test Component: 70461)</i>	This certification may allow for transfer credit for the following W I T C course	10152100 Database Concepts and SQL <i>This course is in the following programs: IT–Systems Administration Specialist and IT–Web and Software Developer</i>
Microsoft Windows 7, Configuring (70-680) <i>WITC Staff: (Test Component: 70680)</i>	This certification may allow for transfer credit for the following W I T C course	10154149 Windows Operating Systems <i>This course is in the following programs: IT– Cybersecurity Specialist, IT–Systems Administration Specialist, Automation for Industrial Systems, and IT–Network Technician</i>

The following current industry certification	=	W I T C Information Technology Course and Related Programs
Configuring Windows Devices (70-697) <i>WITC Staff: (Test Component: 70697)</i>	This certification may allow for transfer credit for the following W.I.T.C course	10154149 Windows Operating Systems <i>This course is in the following programs: IT-Cybersecurity Specialist, IT-Systems Administration Specialist, Automation for Industrial Systems, and IT-Network Technician</i>
<p>To Verify Validity of Microsoft Certifications, go to Microsoft Learning North America Regional Service Center at 1.888.456.7077. Options available:</p> <p>Student can log onto Microsoft.com/MCP. Under the section called Transcript, student must click the link called "Share your Microsoft Transcript." Student will create an Access Code and given a Transcript ID. Campus credit for prior learning staff can access transcript from the following URL: mcp.microsoft.com/authenticate/validatemcp.aspx, using these two codes. Students can request Microsoft send WITC a hard copy of their transcript by calling 800-636-7544. Students will need to provide MCID and address to where transcript should be sent (campus CFPL contact and WITC address).</p> <p>Student can e-mail MCPHelp@microsoft.com and request them to mail a hard copy of their transcript. Students must provide certification I.D., their name and to whom the transcript should be sent (campus credit for prior learning contact and WITC address).</p>		

****All CompTIA certifications earned after January 1, 2011 will expire every three years. Certifications earned prior to this are valid for life.**

WITC STAFF ONLY: Updated: 12/4/2017; 2/16/2018; 7/13/2018; 7/28/2018, 1/7/2019, 3/25/2019, 4/18/2019, 6/3/2019
 Academic Affairs / Industry Credentials and CPL Crosswalks

WITC CPL Data Entry Instructions – For all Certifications on Information Technology crosswalk:

TESTID (for all): ITCERTIFICA

TEST COMPONENT: (See Individual Industry Certifications for Test Component Information)

RCC CODE (for all): 5J (Exam – National Standard)
