

WISCONSIN INDIANHEAD TECHNICAL COLLEGE PLAN OF REPRESENTATION

The Wisconsin Indianhead Technical College will be organized into six regions for the appointment of College Board members.

- Region 1 Douglas County
- Region 2 Ashland, Bayfield, and Iron Counties
- Region 3 Rusk, Sawyer, and Washburn Counties
- Region 4 Burnett and Polk Counties
- Region 5 Barron County
- Region 6 St. Croix County

This regional division divides the college district into six regions with approximately 16.68 percent in each region of the district's population. The regions range from 11.00 to 25.10 percent of the district's population or a spread from lowest to highest of approximately 14.10 percent. The following board member classification is assigned to each region:

REGION	% OF DISTRICT	COUNTIES	CATEGORY
Region 1	14.40	Douglas	Employee
Region 2	11.00	Ashland, Bayfield, and Iron	Additional
Region 3	15.30	Rusk, Sawyer, and Washburn	Employer
Region 4	19.30	Burnett and Polk	Additional
Region 5	15.00	Barron	Employee
Region 6	25.10	St. Croix	Employer
Districtwide			School District Administrator
Districtwide			Elected Official
Districtwide			Additional

The school district administrator will be selected from the school districts within the WITC district. There shall not be more than three school district administrators on the Board.

No region will have more than two members on the Board.

Board members must live in the district and are selected for member positions (regions) based on the county in which they live, not the county in which they own a business.

Additionally, no two members of the College Board may be officials of the same governmental unit nor may any College Board member be a member of the school board which employs the school district administrator.

Of the three additional members, no more than two may be employers and no more than two may be employees.

The Appointment Committee for the Board of the Wisconsin Indianhead Technical College District will give equal consideration in its appointment of board members to:

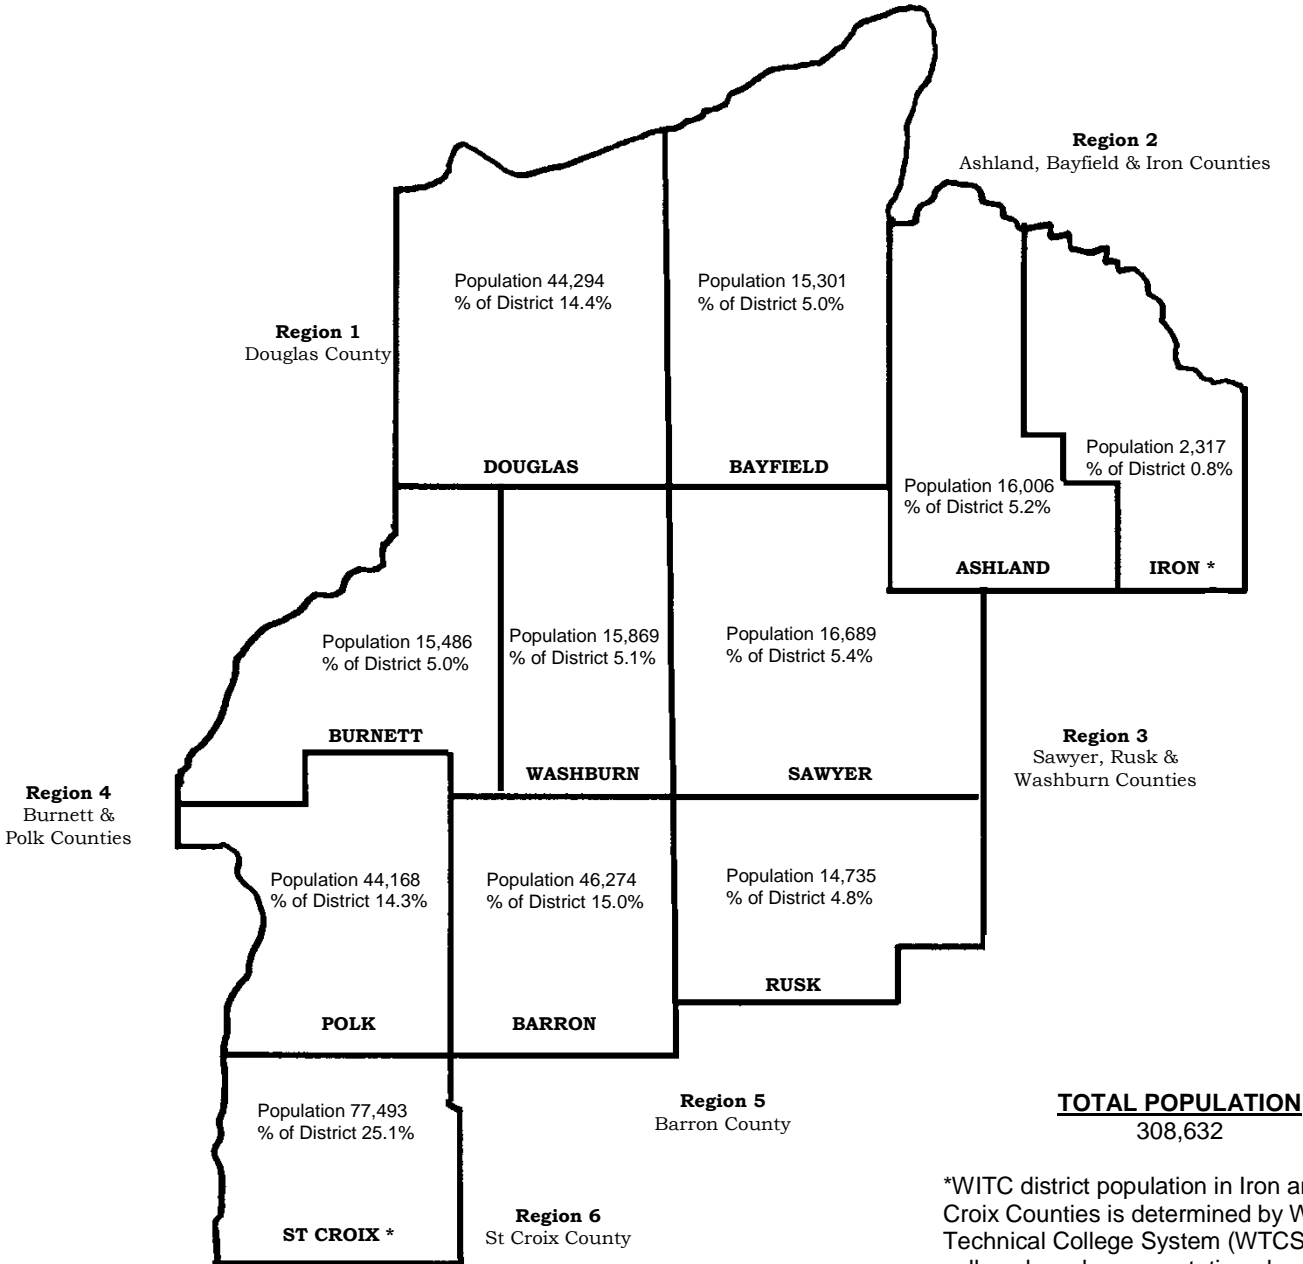

- a. The general population distribution within the college district.
- b. The distribution of women and minorities within the college district.

The Appointment Committee will achieve this requirement by active recruitment of women and minorities within the district and their appointment when possible.

WITC District Population Estimates

(Based on estimated 2017 WTCS Census data)

Total Population	308,632	
Female	153,411	49.7%
Male	155,221	50.3%
Minority	20,427	6.6%

1. Ashland County

Total Population	16,006	
Female	7,927	49.5%
Male	8,079	50.5%
Minority	2,585	16.2%

2. Barron County

Total Population	46,274	
Female	23,015	49.7%
Male	23,259	50.3%
Minority	1,992	4.3%

3. Bayfield County

Total Population	15,301	
Female	7,484	48.9%
Male	7,817	51.1%
Minority	2,188	14.3%

4. Burnett County

Total Population	15,486	
Female	7,614	49.2%
Male	7,872	50.8%
Minority	1,258	8.1%

5. Douglas County

Total Population	44,294	
Female	22,078	49.8%
Male	22,216	50.2%
Minority	3,035	6.9%

6. Iron County (portions of)

Total Population	2,317	
Female	1,146	49.5%
Male	1,170	50.5%
Minority	81	3.5%

7. Polk County

Total Population	44,168	
Female	21,838	49.4%
Male	22,330	50.6%
Minority	1,497	3.4%

8. Rusk County

Total Population	14,735	
Female	7,267	49.3%
Male	7,468	50.7%
Minority	507	3.4%

9. Sawyer County

Total Population	16,689	
Female	8,218	49.2%
Male	8,471	50.8%
Minority	3,643	21.8%

10. St. Croix County (portions of)

Total Population	77,493	
Female	38,802	50.1%
Male	38,690	49.9%
Minority	2,958	3.8%

11. Washburn County

Total Population	15,869	
Female	8,023	50.6%
Male	7,846	49.4%
Minority	683	4.3%
