 Franklin courses.

Franklin University Transfer Notes

**Both general education and university elective courses must be non-developmental.*

**Transfer credit hour minimums for a 4 hour Franklin course is 2.67 semester hours. The difference in transferred credit and Franklin course credit must be made up in the General Education Electives and/or University Electives sections.*

**For Math Beyond Intermediate Algebra requirement, student may select College Algebra, Calculus or Finite Mathematics. If Statistics is used for this mathematics requirement, an additional general education elective will be required.*

**For the Social Sciences requirement, students must take courses in at least 2 separate disciplines.*

**Laboratory component needed for at least 1 science course.*

**Students are required, at a minimum, to complete 40 hours of non-developmental coursework with Franklin University.*

UNIVERSITY ELECTIVES

Select additional courses to satisfy Franklin University residency requirements and overall required hours. Additional Major Area Electives are recommended. Contact Advising Team for other options.

Algebra Competency Statement

Franklin University requires that all of our students satisfy an Algebra Competency Requirement. The Algebra Competency Requirement can be met in the following ways:

1. Pass the Franklin University Algebra Competency Test;
2. Take Fundamental Algebra (MATH 150) at Franklin University; or
3. Transfer in Fundamental Algebra (MATH 150) or higher (College Algebra, Calculus, Finite Math, etc., but not Statistics**)

****Statistics will not waive the Algebra Competency Requirement unless the course has been approved for your school. Please see Advising Team for clarification.**
