OTHER ITEMS REQUIRING BOARD ACTION

1. Announcements and/or Action from Executive Session

Time was reserved for the Board Chair to provide an announcement about the executive session, if appropriate. He noted there was nothing to report.

2. Approval of New G-125A – Administrative Complaint Resolution Procedure

Time was reserved for approval of the G-125A Complaint Resolution Procedure that had been slightly revised under step 3 of the procedure and was re-posted on the Board of Trustees Connection before the meeting. This new procedure outlined the complaint resolution process for all WITC staff and must be approved by October 1, 2011, in accordance with Wisconsin Statute §66.0509(1)(1m)(a)(1). Ms. Vink noted that we worked with WTCS and legal counsel on this procedure.

Morrie Veilleux moved, seconded by Jean Serum, to approve the G-125A Complaint Resolution Procedure as presented. Upon a unanimous vote of all members present, motion carried.

3. Approval of Resolution 12-03, Authorizing the Issuance of \$3,900,000 General Obligation Promissory Notes, Series 2011C, of the Wisconsin Indianhead Technical College District, Wisconsin, and Setting the Sale Thereof

Administration recommended approval of Resolution 12-03 with the intent to borrow \$3,900,000 for the 2011-2012 capital budget requirements. However, although the total amount requested was correct in the resolution and in the Board book paragraph, an incorrect amount was unintentionally listed on the agenda heading. Therefore, the Board requested to move this item to the October 17 Board meeting.

Mr. Decker noted that this bond sale will occur in November. We are working with John Will, of Springsted, who had some initial concerns about having a bond sale during the week of a holiday and that this might reduce the number of bidders. However, Mr. Will felt that it should not deter the steady group that normally bids from bidding. He wanted to let the Board know there may be a risk. This project was approved by the State Board.

4. Approval of Resolution 12-04, Reporting for Compliance to Wisconsin's Code of Ethics for Public Officials and Employees

The Wisconsin Ethics Board requested the district Board review its prior designations and either confirm their appropriateness or adopt a new resolution designating non-clerical positions that report directly to the President. Administration requested Board approval for submission of the Program Proposal for the CNC Machine Tool Operation one-year technical diploma program to the Wisconsin Technical College System (WTCS). The proposal will include required detailed information on the proposed program curriculum and program budget requirements. It is the intent to replace the current two-year technical diploma Machine Tool Technician program at the Rice Lake Campus with the new one-year technical diploma CNC Machine Tool Operation program.

James Beistle moved, seconded by Chris Fitzgerald, to approve submission of the Program Proposal for the CNC Machine Tool Operation one-year technical diploma program to the Wisconsin Technical College System (WTCS) as presented. ## INFORMATION REPORTS

### 1. Annual Enrollment/Full Time Equivalency (FTE) Information Report

Jennifer Kunselman, Research and Planning Coordinator, reviewed the 2011–2012 year-to-date FTE report that she prepared for the Board book. The report included data by degree level and College division as well as detailed FTE data for General Studies. Ms. Kunselman presented additional student demographic data and reviewed a *Fall Enrollment Report to the College Board* that was handed out at the meeting. As requested by James Beistle, Ms. Kunselman will provide him with the gender breakout of students who attended WITC directly out of high school.

## CORRESPONDENCE AND INFORMATION

### 1. Meeting Information Sharing

Board members shared information from the meetings they attended.

Mr. Beistle shared an e-mail on the Madison College Board's decision to remain a member of the District Boards Association for 2011–2012.

Mr. Beistle also shared a handout on the new voter ID law that takes effect with Spring 2012 elections. The Government Accountability Board decided that Wisconsin Technical College student identification cards may NOT be used for voter ID purposes; however, they approved the use of student IDs by almost all other colleges and university students in the state.

President Meyer noted that he, James Beistle, and Lori Laberee attended the WITC–Superior Business After 5 event that kicked off our 100–year centennial celebration. Vice Chair Beistle spoke on behalf of Chair Dave Minor and Aimee Curtis who were unable to attend. There were over 100 people in attendance, which made this the most well-attended Business After 5 event ever. The Chamber and the College did a nice job with the event. The State Board will hold its meeting at WITC–Superior in July of 2012. A booklet of WITC–Superior history and photos was put together for the event and copies were provided to each Board member along with a 100–year commemorative cup. President Meyer noted that WITC–Superior was the second campus, after Racine, to form an institution after 1911.

#### A. Board Forward Meeting Planning

Time was reserved for Board Forward meeting planning. A draft agenda was provided for the Board's review. The original Board Forward date was scheduled on Sunday, November 20, from noon – 4:30 p.m., in Shell Lake. In August, after Chair Minor inquired about the Board's availability, it was decided that the Board Forward meeting would be changed to November 13. After the August Board meeting, Chair Minor asked administration to determine Board member availability on some alternate Board Forward meeting dates and times (on the afternoon of October 16, and after the Board meetings on October 17 and November 14) since the full Board was unable to attend on November 13. Since administration was unable to establish a time and date that facilitated a greater level of participation by Board members, Chair Minor requested the Board Forward meeting date be changed back to Sunday, November 20 (12 – 4:30 p.m.) and the regular November Board meeting date be changed back to Monday, November 21 (8 a.m. – 12 noon/or as needed) to allow for the greatest participation among Board members at the Board Forward meeting.

At today's meeting, Chair Minor noted that the Board orientation portion of the Board Forward meeting could be handled separately for the 3 new Board members and Jim Beistle, reducing the amount of time needed for the Board Forward meeting. James Beistle requested Lori Laberee also be involved with the Board orientation. Chair Minor cleared Sunday, November 20, off of the Board's calendar for the Board Forward meeting. Administration will check with the Board on their availability to hold a Board Forward meeting after the November 21 or December 19 regular Board meetings. President Meyer noted that Jan Adelman will be utilized for the Board Forward meeting, specifically to provide Policy Governance training.

Administration will also work on scheduling a New Board Member Orientation for the three new Board members, Jim Beistle, and Lori Laberee.

**B. District Boards Association – Goals, Action Plans, and Measures of Success–2012**

The District Boards Association's Board of Directors recently developed the report provided in the Board book for the Board's information and review. The following four goals were listed in the document: 1) Advocacy, 2) Interdistrict/Interagency Cooperation, 3) Board Member Education and Development, and 4) Partnerships and Alliances. James Beistle noted that the District Boards Association Board will be meeting in November (following the Association gathering) to approve this document. If the WITC Board sees anything positive or negative, they should let Mr. Beistle know.
